

## **Analysis of the poem, 'The Woman speaks to the man who has employed her Son '**

### **Nature/Situation**

The speaker tells us of a mother who has worked and made sacrifices to raise her son only to have her hopes destroyed when the boy gets caught up with criminal elements. She is resigned to the certainty that his life will end violently (the day he draws his bloody salary), that she buys the material for her funeral dress ahead of the event.

### **Structure**

This poem is free verse written in six unrhymed stanzas of equal length. The absence of end rhymes is effective because it suggests that the speaker simply cannot bring order and harmony to this tragedy. The stanzas are of regular length because they suggest the certainty and inevitability of the events that will take place.

### Stanza One

This describes the mother's pregnancy and her willingness to keep the child.

### Stanza Two

This describes the father's absence and indifference to all his children.

### Stanza Three

This explains that the mother has been both mother and father to the child. The speaker moves to the employer who has equipped the boy with a sub-machine gun.

### Stanza Four

The mother is sceptical about the employer even though the boy idolizes him. The only salary her son is likely to earn from such employment will be a bloody death, so she proceeds to buy funeral clothes.

### Stanza Five

The mother is powerless against the big time criminal so she can only pray and cry.
