Focus On End Times:

Focus on End Times : Today's Events and the Soon Return of Jesus Christ Treacy, Maura, 1983 Focusing in on End Time Events George Hurd, 2017-04-22 FOCUSING IN ON END TIME EVENTS defends a posttribulational premillennial perspective of eschatology in which during the darkest hour of the age the mature sons and daughters of God will enter into a dimension of power and glory promised in the Scriptures yet until now unknown to human experience In history's darkest hour the glory of God will arise upon His prepared vessels They the first fruits will be to the praise of the glory of His grace resulting in the greatest harvest of souls since the beginning of the age They are the sons of glory the people who know their God who will become strong and do exploits and will instruct many Dan 11 32 33 They are also referred to in Scriptures as the manifest sons of God the man child company who will walk in the spirit and power of Elijah and shall live before Him even while still ministering on earth The first section of the book is dedicated to establishing from Scriptures that instead of the Church being removed in a pretribulational rapture her greatest moment during this age awaits the darkest hour when the overcoming Church will shine as never before Then Christ will come the second time at the close of the tribulation for the rest of His church which has been purified in the fires of affliction The arguments presented in support of a pretribulational rapture of the Church are all considered in the light of Scripture followed by a presentation of the arguments in favor of the rapture taking place at the time of the glorious Second Coming of Christ at the close of the great tribulation *The Rapture, the End-times and the Millennium* Russell R. Standish, Colin D. Standish, 2004 Volume seven of the Antichrist Septenate takes up issues crucial to our understanding of the final events preceding the return of our Lord and Savior Jesus Christ **The Gospel of Climate Skepticism** Robin Globus Veldman, 2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork The Gospel of Climate Skepticism reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change The Gospel of Climate Skepticism offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change The Agents Collection: Agents of the Apocalypse / Agents of Babylon David Jeremiah, 2016-09-01 This collection bundles two of respected author David Jeremiah's best selling prophecy books into one e book for a great value Agents of the Apocalypse Are we living in the end times Is it possible that the players depicted in the book of Revelation could be out in force today And if they are would you know how to recognize them In Agents of the

Apocalypse noted prophecy expert Dr David Jeremiah does what no prophecy expert has done before He explores the book of Revelation through the lens of its major players the exiled the martyrs the elders the victor the king the judge the 144 000 the witnesses the false prophet and the beast One by one Dr Jeremiah delves into their individual personalities and motives and the role that each plays in biblical prophecy Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today The stage is set and the curtain is about to rise on Earth s final act Will you be ready Agents of Babylon In his 1 New York Times bestseller Agents of the Apocalypse noted prophecy expert Dr David Jeremiah explored the book of Revelation through the lens of its major players Now in the much anticipated follow up Agents of Babylon Dr Jeremiah examines prophecy through the eyes of the characters in the book of Daniel explains what the prophecies mean and helps us understand how these prophetic visions and dreams apply to our lives today Written in the same highly engaging half dramatization half Bible teaching format as Agents of the Apocalypse Agents of Babylon is not only an in depth exploration of the characters and prophecies contained in the book of Daniel but also a dramatic retelling of Scripture that is sure to bring ancient prophecy to light like never before

Unraptured Zack Hunt,2019-03-19 Are you rapture ready As a teenager in the buckle of the Bible Belt Zack Hunt was convinced the rapture would happen at any moment Being ready meant never missing church never sinning and always listening to Christian radio But when the rapture didn t happen Hunt s tightly wound faith began to fray If he had been wrong about the rapture what else about his faith might not hold water Part memoir part tour of the apocalypse and part call to action Unraptured traces how the church s focus on escaping to heaven has it mired in decay Teetering on the brink of irrelevancy in a world rocked by refugee crises climate change war and rumors of war the church cannot afford to focus on the end times instead of following Jesus in the here and now Unraptured uses these signs of the times to help readers reorient their understanding of the gospel around loving and caring for the least of these

Millennium in the Middle Kevin Goodman,2025-12-24 Millenium in the Middle seeks to offer a new view on eschatology and the little while mentioned in Revelation 20 Kevin Goodman seeks to provide a bridge between dispensationalism and amillennialism This book is a must read for pastors and students studying the millennium reign of Christ and anyone navigating the tricky waters of teaching or preaching through it

Luke The Navigators,2019-02-05 Through Luke s eyes we see Jesus as one who went out of his way to include those who were typically treated as outcasts by the religious establishment Women the poor those of different cultures and backgrounds and the commoners are all welcome in God s kingdom

Earth's Final Hour Ed Hindson,1999 Some people say that the last days are upon us right now Others say the end times are in the distant future Who is right Is it possible to know If you re wondering what you can know for certain about the timetable of last days events you ll find answers in this book Can I still believe in the soon return of Christ Why have so many people miscalculated the second coming How can Christ s return be imminent if there are still unfulfilled prophecies This balanced look at the unfolding of Bible prophecy in a wildly chaotic

world will help you sort fact from fiction Learn how to avoid excessive speculation and receive hope inspiration and a very clear picture of what God has revealed for about the last days *The Photographic Times* ,1908 *Jesus Revealed in the End Times* Dr. Robert Jeffress,2025-03-04 Most books about the end times focus on the events described in biblical prophecy wars natural disasters economic turmoil and more rather than the One who is revealed in those events The result God s people end up fearful about what is to come rather than hopeful about Who is to come But the Bible s prophecies of the last days can fill us with joy and peace as we anticipate the return and reign of our beloved savior Jesus Christ In *Jesus Revealed in the End Times* bestselling author Dr Robert Jeffress takes a radically different approach to prophecy helping you see the end times through the lens of Jesus Christ You ll stop fretting about future events as you start to know Jesus more deeply see him more clearly and praise him more joyfully By the time you finish this book you ll not only have a greater understanding of God s plan for the future but also have a greater sense of calm and courage in the face of what is to come because you ve come to know the One who controls the future **The Chautauquan** ,1896 Popular Photography ,1913 *Four Views of the End Times Leader Guide* Timothy Paul Jones,2013-12-16 This is the Leader Guide for the Four Views of the End Times small group study What does the Bible actually say about the end times that lead to the return of Jesus Christ The differing ideasthat divide believers into four major points of view are examined in the Four Views of the End Times video basedsmall group study This six session study takes a look at four different Revelation time lines and tackles DispensationalPremillennialism Postmillennialism Historic Premillennialism and Amillennialism For each view the study includes adefinition supporting Scriptures a time line of the view s popularity and a sampling of Christian leaders supportingthat view Common questions and answers are handled as part of each session so you don t need to be the expert to be the leader This is the Leader Guide only not the entire kit About speaker and author Dr Timothy Paul Jones Dr Jones serves as Professor of Leadership and Church Ministry at The Southern Baptist Theological Seminary in Louisville Kentucky **Rosicrucian Digest** ,1977 **A Text-book of Physiology** Sir Michael Foster,1891 American Annual of Photography and Photographic Times Almanac ,1888 Millennium Clues for the Clueless Christopher D. Hudson,1999 *Millennium Clues for the Clueless* As we face the turn of the century many people are also facing uncertainty fear and anxiety This book helps readers keep their focus on the peace and security of God s never changing character and His daily provision for His children Scientific American ,1889 Are We Living In The End Times Don Nicely,2024-02-09 Are we living in the end times that are described in the book of Revelation The end times truly started in the beginning of New Testament after Jesus revealed himself to the world But in these modern days of 2024 we re still in the end times Now I presume since you bought this book that you re wanting to know whether we are at the end of the end times and how close are we to the coming of the return of Jesus as it was set forth in the book of Revelation I actually have another book in this series that discusses when Jesus will actually come back Now throughout all of our Christian history believers have speculated that the

prophesied End Times were just about to start Some audacious ones have even set specific dates and times for his return Several years ago for example a certain radio preacher had people talking about his declaration that the present world order would end in May of 2011 When that did not happen he revised his prediction forward a few months to October By the way he had earlier set 1994 as the year when End Times would arrive Award winning inspirational author Don Nicely through this book cleans up all the clutter that is out there about the end times and when the actual return of Jesus will be Yes there are specific signs that we can read that Jesus himself gave us to enlighten his people to his actual return and how it would actually take place People predicting End Times dates usually focus on things like wars increasing wickedness and natural disasters They talk about bad things like the increased fierceness of storms through what is now called climate change as well as the surge of killer viruses severe famines and droughts and escalating tensions between nations The problem is these things have all been around all through human history So what is the true signs of the End Times One of the big questions in understanding and interpreting the book of Revelation is tied to when it was written What should Christians be doing to get ready for the cataclysmic events preceding the end of the Age and the Second Coming of Christ Given the current state of affairs in the world Unfortunately some are selling their homes moving to remote desert or mountain locations stockpiling food buying weapons and ammunition the list goes on and on Is that the right thing to do Are we really supposed to run and hide as things get worse Or should we stay where we are and continue to minister to the people around us The Bible clearly instructs us to be vigilant That means to stay awake But it also teaches that no one can say for certain that we are living in end of the end times Fortunately the apostle Peter gives us a straightforward answer to this question And this book will give you the answers that you are searching for Peter writing specifically with reference to the end of the age when he said the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Just what does that mean Author Don Nicely addresses this verse with a whole chapter to give you exactly what Peter meant Peter does not suggest that believers head for the hills and adopt a fortress mentality and start stockpiling food and weapons Instead he asks Since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat II Peter 3 10 12 You really need to get a copy of Are We In The End Times Today
