Emil's Day David A. Hendsch,2003-11-01 *Supporting Difficult Transitions* Mariane Hedegaard,Anne Edwards,2019-07-11 The international contributors to *Supporting Difficult Transitions* discuss examples of transitions that are problematic for children young people and their carers Focusing on vulnerable children and young people the transitions include starting school changing schools starting work entering a new culture or a culture that has been changed to focusing on vulnerable children and young people The book will be useful to practitioners involved in supporting children and their carers as they make these moves students and course tutors in the caring professions researchers and policy makers and those who implement policy for children and young people The different case examples are given coherence by drawing on cultural historical approaches to how people move between practices Particular attention is paid to how practitioners can build shared understandings of what matters for children and young people and for the institutions they are entering These understandings become a resource to strengthen collaborations between practitioners or between practitioners and the children and their carers as they support entry into new practices I Am Behind You John Ajvide Lindqvist,2018-10-16 A chilling supernatural thriller from the acclaimed author of *Let the Right One In* perfect for fans of Stephen King Four families wake up one morning in their trailer on an ordinary campsite However during the night something strange has happened Everything outside the camping grounds has disappeared and the world has been transformed into an endless expanse of grass The sky is blue but there is no sign of the sun there are no trees no flowers no birds And every radio plays nothing but the songs of sixties pop icon Peter Himmelstrand As the holiday makers try to come to terms with what has happened they are forced to confront their deepest fears and secret desires Past events that each of them has tried to bury rise to the surface and take on terrifying physical forms *I Am Behind You* is a compelling eerie novel from John Ajvide Lindqvist the internationally bestselling author dubbed the Stephen King of Sweden Can any of them find a way back to reality **His Story of Bethalto** Henry W.
