✓ Exclusively available on IvyPanda

The poem “Pieces” is written as a free verse to honour my mother with the focus on expressing all the sadness, frustration, hurt, and anxiety associated with her death in poem’s lines. Thus, sadness and anxiety are the main attitudes connected with the subject of the poem, but it is also important to note that I choose to hope for better because of feeling the mother’s invisible protection. Moreover, I use anaphora to add more emphasis on my feelings, “I can feel the walls around, I can feel her protection”. In addition, I am inclined to make the impression more intensive while using parallelism in constructions to discuss my mother’s loss and my loss. From this perspective, I choose to focus more on the complicated syntax of the poem in order to represent my feelings and emotions, and the form of a free verse contributes to my attempts to present my thoughts in lines as they appear in my mind and reflect my feelings.

Alliteration serves me to express my feelings more vividly and to draw the readers’ attention to the crucial stages in my process of coping with the loss. Thus, at the first stage, I am in grief and Januarys are “crystal cold catastrophic”. However, now I hope to feel the protection and support of my mother because she is in “winds, whispers, waves of songs”. The obvious symbol in my poem is the cold January, and the main image is an angel. Thus, January is associated with the death and my frozen heart which is broken to pieces, and the angel is associated with my mother. From this point, I use the
