

A close-up photograph of a person's hands operating a blue and silver Bosch router. The router is mounted on a complex metal guide system that is clamped to a wooden workpiece. The guide system consists of several parallel metal rods and a base plate with adjustment knobs. The router is positioned to cut a groove into the wood. A dark blue text box is overlaid on the right side of the image, containing white text. The background shows a wooden workbench and a concrete floor.
