Faith And Prayer

Daniel Owusu Yeboah

Faith And Prayer:

Lectures on the Prayer of Faith James Richards, 1832 **The Prayer of Faith** Carrie Judd Montgomery, Carrie Frances Judd Montgomery 1858 1946 was an evangelist faith healer and influential author How strange and sad it is she writes that when the Bible abounds in such rich promises for supplying the need both of soul and body that we should be languishing in either Let us together earnestly and prayerfully search God's Word and by its light dispel the mists of unbelief which prevent our seeing clearly the blessings which are only awaiting our grasp of faith *The Prayer Of Faith* Daniel Owusu Yeboah, 2019-01-29 In my years in the Prayer Ministry I have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help Thus in many instances the object of prayer praying to God has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries These men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers Their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them The power and true benefits are now shifting to false miracle working prayers Of course there is a place for and power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to God to experience his blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book *The Prayer of Faith Praying with Hope* is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the less we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on **Power to Pray** Don Andreson, 2012-05-08 There is or at least ought to be power in prayer The Bible after all is filled with stories of people who prayed and saw amazing results Jesus our Disciple besides praying often and with the clear expectation of results taught us to always pray and to never give up Yet too many of us lack the power to pray consistently and effectively Prayer is often a duty seldom performed instead of a living experience of connecting with heaven's power The Bible's true statement Faith without works is dead is also true when turned backward an absence of prayer in our life demonstrates the absence of faith in our heart faith in the actual

effectiveness of prayer as the Bible describes it If we pray God will act if we dont pray he wont The sole aim of Power to Pray is to increase this faith in all of us so that our Father who eagerly waits for us to pray can act on earth as in heaven The rest is up to you and the Holy Spirit My prayer is that the immense purposes of God will be accomplished through your simple prayers

The Essentials of Prayer Edward McKendree Bounds,1925 **The Possibility of Prayer** E. M. Bounds,2013-04-15 Pray Pray and Pray some more God loves it and the Devil hates it E M Bounds offered perhaps a more profound understanding of prayer than any other contemporary Christian thinker His classic books on the personal communication with God explore how prayer must come from the whole being and strengthens faith in Christian lives It is through prayer that we share our thoughts and desires our father God Doing good works communion church activities and the like do not and should not replace prayer Prayer must be a priority in our lives Prayer should be the breath of our breathing the thought of our thinking the soul of our feeling and the life of our living the sound of our hearing the growth of our growing Prayer in its magnitude is length without end width without bounds height without top and depth without bottom Illimitable in its breadth exhaustless in height fathomless in depths and infinite in extension In *The Possibilities of Prayer* E M Bounds addresses *The Ministry of Prayer* *Prayer and the Promises* *Its Possibilities Answered* *Prayer Divine Providence* and much more Edward McKendree Bounds was a clergyman of the Methodist Episcopal Church South and author of eleven books nine of which focused on the subject of prayer Bounds was a practicing lawyer at age nineteen and after three years began preaching for the Methodist Episcopal Church South At the time of his pastorate in Brunswick Missouri war was declared Bounds became a prisoner of war after refusing to take the oath of allegiance to the Federal Government Upon release he served as chaplain of the Fifth Missouri regiment until the close of the war *The Power of Faith and Prayer* Samuel Rutherford,1713 *Answered Prayer Guaranteed!* Fred Price,2011-10 There is a way to pray so that you know God hears you and will answer your prayer There is a way to pray in faith all the time a way to get answers Amazon com **Prayer as a Force** Agnes Maude Royden,1923 **Praying Faith** Thomas Dooley,2005 As a molecular biologist Dr Thomas Dooley is well trained in applying scientific analysis to execute experimental research But in *Praying Faith* this man of God exercises his faith to invade the marketplace with an apostolic prophetic anointing With genuine faith the scientist entrepreneur rejects evidence of natural circumstances and instead leans on the compass of spiritual revelation An industry sector veteran Dr Dooley equates a faith lifestyle with risks taken on by any businessmen either Christian or non believer that anyone can use to achieve Godly success **Prevailing Prayer** Eli Wigle,1900 *Faith Fight Forces* Olufemi Olawale,2024-10-29 Living by faith is no longer fashionable Many Christian gatherings now offer more of philosophy and motivational lessons than preaching the raw word of God by which faith comes Thus the population living by faith is thinning out meanwhile God that cannot change had concluded that the just shall live by faith *Faith Fight Forces* is intended to call men back to a life of faith if they ever want to be counted just by God in the hope that after going through this book the

resolve to live by faith would have been renewed and fortified in the journey through life A highly accomplished professional Olufemi Olawale started his career with a Bachelor s Degree in Economics from Obafemi Awolowo University OAU Ile Ife and a Master s Degree from the University of Lagos to then go further in professional education and certification to become a fellow of the Institute of Chartered Accountants of Nigeria FCA and enter an impressive career as Bank Supervisor at the Central Bank of Nigeria where he ultimately took on the position of Group Head and Assistant Director Olufemi has been a practising Christian for many years Since his retirement he has devoted all his energy towards the further development of his faith in God and now serves as lead Instructor at the Glorious Life Transformation Ministry headquartered in Ketu Lagos Nigeria
