The Kansas City suburb of Independence Missouri is associated primarily with its most famous son President Harry Truman Yet Independence is also home to a unique and complex religious landscape regarded as sacred space by hundreds of thousands of people associated with the Latter Day Saint family of churches In 1831 Joseph Smith the founder of the Latter Day Saint LDS movement declared Independence the site of the New Jerusalem where followers would build a sacred city the center of Zion Smith prophesied that Jesus Christ would return in millennial and glorious advent to Independence an act that would make the city an American counterpart to old world Jerusalem Smith s plan would have mixed the best qualities of nineteenth century American pastoral and urban psyche However the great splintering among returning Latter Day Saint groups has led to divergent beliefs and multiple interpretations of millennial place Images of the New Jerusalem culls viewpoints from publications and interviews and contrasts them with official church doctrines and mapped land holdings For example with a desire to attract mainstream American the Western LDS Church which holds the largest amount of land in northwestern Missouri keeps fairly silent on the New Jerusalem while the RLDS Church now the Community of Christ has dropped millennial claims gradually adopting a liberal secular style of pseudo Protestantism Smaller groups independent of these two see sacred space in more spatially and doctrinally limited ways The religious ecology among Latter Day Saint churches allows each group its place in the public spotlight and a number of sociopolitical mechanisms reduce conflict among them Nonetheless Independence has developed many traits of the world s most seasoned and conflicted sacred places over a relatively short time This book opens the field of scholarship on this region where profound spatial and doctrinal variation continues Craig S Campbell is professor of geography at Youngstown State University He has published articles in *Journal of Cultural Geography* *Cartographica* *The Professional Geographer* *Political Geography* and other journals

Christ With Us Warren Shipton, 2016-12-13 What do you know about the Old Testament sanctuary and its fulfillment in Christ s ministry on earth and in heaven Have you considered how the sanctuary sheds light on salvation the nature of humanity the law and the gospel the judgment Christian life and worship the believer s assurance or last day events Most Christians recognize that the spring festivals of Israel pointed to Jesus death resurrection and enthronement at the right hand of God but they somehow miss the correlation of the fall festivals to Christ s heavenly ministry In *Christ With Us* Warren Shipton draws from the

imagery and teachings of Hebrews Revelation and other New Testament passages with help from scholarly sources and history to shed light on the sanctuary as depicted in the books of Moses the prophets and the Psalms His aim is to assist the reader in better understanding and appreciating God's means of dealing with the sin problem through Jesus' sacrifice on earth and ministry as High Priest in heaven revealing God's character of love mercy and justice and the spiritual connections between the teachings of the sanctuary the concept of the great controversy and other major biblical teachings The book is a primer for the newcomer to the topic of the sanctuary as well as a resource for the seasoned student If you want to know more about Jesus and how the Old Testament sanctuary points forward to what He did for humankind in dying on the cross and what He continues to do for us in heaven as our High Priest this book is for you

Divergent Paths of the Restoration Steven L. Shields, 2021-08-30 When Joseph Smith founded the Church of Christ in 1830 he declared it to be God's restoration of true Christianity the Kingdom of God on earth Although he foresaw opposition to such bold claims he could not fathom that time and unforeseen circumstances would help to spawn hundreds of off shoots and competing denominations all claiming their origins in a movement born and sustained originally by Smith and Sidney Rigdon Many of these groups have endured and boast multiple congregations of believers in many countries others came and went quickly and have long since been forgotten Some have survived but have only appealed to a handful of believers Steven L Shields has for decades chronicled the various origins and paths of all known Restoration movements This fifth edition of his encyclopedic study offered as an ebook includes recent groups born as internet communities That so many groups and individuals have been unsatisfied with the more mainstream Mormon churches yet cling to tenets of the Smith Rigdon movement speaks to the strengths of the restoration concept and the naive view that one denomination can successfully meet all the needs of believers

Reliable Characters in the Primary History Paul J. Kissling, 1996-05-01 This volume challenges the assumptions that modern readers tend to make about four of the Hebrew Bible's most prominent heroes Using a form of reader response theory Kissling examines the assumption that these characters are primary vehicles of the narrator's point of view In three of the four cases it is concluded that traditional idealistic assumptions do not do justice to the textual evidence in its final form The work calls upon the reader to consider the subtlety of the means used in portraying these heroes and gives evidence for the decidedly negative aspects in their
