Essentials Of Interviewing

Karin Olson

Essentials Of Interviewing:

Essentials of Qualitative Interviewing Karin Olson, 2016-05-23 Karin Olson's brief accessible guide to the principles and practices of qualitative interviewing is a welcome addition for students and novice practitioners in a wide array of fields. Interview is the most common method for gaining information in the social realm so there are a bewildering array of techniques and strategies for conducting them. Olson outlines the various options from formal to highly unstructured individual and group and shows how and when to use each. She takes the researcher through the interview process from design to report and addresses key issues such as researcher standpoint, vulnerable populations, translation and research ethics. Exercises, examples, and tables offer a convenient set of tools for understanding. This slim guide is a key resource for any research methods course.

Essential Interviewing Skills for the Helping Professions Nicole Nicotera, 2018 *Essential Interviewing Skills for the Helping Professions* reaches beyond most other essential skills for clinical interviewing books with its emphasis on social justice, attention to the role of microaggressions in clinical practice, and the utmost importance of practitioner wellness as integral to longevity in the helping professions. Each chapter addresses interviewing skills that are foundational to the helping professions, from mental health to physical health, includes detailed exercises, addresses social justice, and discusses practitioner wellness opportunities. Sometimes clients' stories are fraught with trauma; other times their stories are bound within generations of substance addiction or family violence; while other clinical stories present personal and social obstacles that arise from years of oppression at the hands of prejudice and discrimination. This book therefore goes beyond the basic ideas of choosing when to use an open question or to reflect emotions by covering how to integrate social justice and knowledge of power, privilege, and oppression into the interviewing arena. Essential interviewing skills require the practitioner to not only purposefully listen to the client's story but also to be self-aware and willing to acknowledge mistakes and learn from them. The work of the clinical interviewer is a continuous challenge of balancing listening, responding, action, and self-awareness, and this book is designed to help.

Essentials of Interviewing and Hiring Sorin Dumitrascu, 2017-02-17 How do you go about finding the best possible person to fill a job? Although interviewing candidates is important, it can waste a lot of time and be unproductive if you don't have the right types of candidates to interview. The key to both successful interviewing and hiring is effective screening. This involves filtering resumes to find job candidates who are best suited for the position. What do you think happens if you don't screen applicants properly? You'll probably ignore some credible candidates who deserve an interview. You'll also waste time on interviewing unsuitable candidates who aren't qualified for the position you need to fill. This book will help you avoid these pitfalls, ensuring that you identify the best possible applicants to include in the interviewing process. A good job description sets out the expectations for the job and for the candidate you'll ultimately hire. Before you can write a good job description, you need to perform a job analysis. You examine what the job entails, for example, what skills and qualifications the person in this role needs and what tasks the new

employee needs to perform to succeed in the role From this analysis you create the job description which accurately identifies all the requirements a successful candidate must meet An incomplete or inaccurate job description can be disastrous For example say you need to hire a graphic designer for your advertising agency The job requires someone with experience in using a specific desktop publishing software product If you fail to include this in the job description you may hire someone unsuitable and end up having to spend time and money on training this person Once you ve created an accurate job description and advertised the job the next step is to screen applicants resumes to determine who meets the job requirements At this point your success in identifying suitable candidates for interviewing will depend on the accuracy of the requirements you included in your job description You should be able to quickly determine who meets the minimum job requirements you identified and weed out those that don t Then you can examine more closely the remaining resumes

Essentials of Interviewing Donald E. Wiger, Debra K. Huntley, 2002-03-05 Conduct effective diagnostic interviews and enhance client relationship skills A thorough diagnostic interview is the foundation for informed and comprehensive clinical diagnosis and treatment planning In addition to basic interviewing techniques professionals must also possess skills in designing interviews to satisfy the requirements of the accrediting agencies and third party payers who audit their clients charts Now there is one source that offers expert instruction in both *Essentials of Interviewing* As part of the *Essentials of Mental Health Practice* series this book provides the information mental health professionals need to practice knowledgeably efficiently and ethically in today s behavioral health environment Each concise chapter features numerous callout boxes highlighting key concepts bulleted points and extensive illustrative material as well as Test Yourself questions that help you gauge and reinforce your grasp of the information covered *Essentials of Interviewing* is filled with practical information about everything from establishing rapport and taking a complete history to identifying risk factors and ruling in ruling out specific disorders The needs of special populations such as children people with disabilities and clients from diverse backgrounds are covered as well as suicide assessment biopsychosocial assessment and the Mental Status Exam You ll be fully prepared to formulate an initial diagnosis and develop a preliminary treatment plan with this indispensable hands on resource Other titles in the *Essentials of Mental Health Practice* series *Essentials of Outcome Assessment* *Essentials of Treatment Planning* For a complete list of books in our *Essentials of Mental Health Practice* series visit us on the Web at www.wiley.com/go/essentialsmhp

Essential Interviewing David Richard Evans, 1993 This programmed approach to basic interviewing skills breaks down the complex process of effective professional client communication into single skill components Based on Allen Iveys proven Micro Skills model the text leads readers step by step to mastery of basic communication skills Chapters 2 through 6 focus on rapport building and information seeking skills that are basic to all effective communication while Chapters 7 through 13 examine specific skills that can help bring about change in both cooperative and resistant clients

Personnel George R. Hulverson, 1927 **Essentials of Interviewing**

Wiger,2002-05-01 *Essentials in Interviewing* Anne Ferguson Fenlason,1952 **The Essential Book of Interviewing**
Arnold B. Kanter,1995 In today s tough job market the interview process is more important than ever But to be successful in
the interview game each side needs to know what the other is really looking for The Essential Book of Interviewing gives
interviewers and interviewees the principles and techniques they need to master the process In a clear and highly readable
style Arnold B Kanter explains how job seekers and interviewers can Give and get the information they need Ask the right
questions and avoid the wrong ones Prepare for the interview and make decisions Achieve diversity and avoid illegal hiring
practices The result is the most complete and helpful book on interviewing ever written Whether you re seeking your first job
or hiring your hundredth employee you can t afford to be without The Essential Book of Interviewing *Fundamentals of*
Crisis Counseling William Getz,William L. Getz,1974 *Cengage Advantage Books: Essentials of Intentional Interviewing*
Allen E. Ivey,Mary Bradford Ivey,Carlos P. Zalaquett,Kathryn Quirk,2015-02-25 An excellent guide to interviewing in the
helping professions ESSENTIALS OF INTENTIONAL INTERVIEWING 3rd Edition presents the authors renowned microskills
model which revolutionized modern understanding of the counseling and therapy process by teaching vital interviewing skills
step by step This demystifying process breaks down counseling into manageable micro units and builds a bridge between
theoretical understanding mastery of the skills and the practice of counseling The book s multicultural focus reflects the
diverse nature of today s classroom and society New to this edition are a chapter on crisis counseling basic information on
neuroscience as it relates to interviewing new video content and brief summaries of key theories of helping with additional
information and transcripts available online In addition MindTap tm an online learning platform with a full array of text
specific study tools is available with the new edition *Public Aid in Illinois* ,1955 **Essential Interviewing and**
Counseling Skills, Second Edition Tracy Prout,Melanie Wadkins,Tatianna Kufferath-Lin,2021-08-11 The only
comprehensive interviewing and counseling text grounded in a strong multi theoretical foundation Structured around
CACREP standards Essential Interviewing and Counseling Skills Second Edition uniquely encompasses both theory and
practice from the perspectives of a diverse array of theoretical schools and practice strategies While continuing to
disseminate counseling fundamentals the second edition focuses extensively on the acquisition of robust interviewing and
counseling skills including special preparation for the initial assessment and counseling session It is also distinguished by its
integration of cognitive behavioral and psychodynamic therapy approaches Throughout the text emphasizes the importance
of multicultural humility and a multicultural orientation to counseling including challenging students to examine their own
backgrounds and biases This latest edition also addresses key aspects of telehealth that have come to the fore during the
COVID pandemic The use of case examples throughout highlights multiple theoretical approaches and illustrates how to
integrate a wide range of perspectives With an emphasis on counseling clients from diverse cultural backgrounds each
chapter focuses on strategies for working with varied populations with an emphasis on intersectionality The authors consider

many forms of diversity including race ethnicity immigration and country of origin along with age gender sexual orientation religion language and physical and cognitive abilities Purchase includes digital access for use on most mobile devices or computers Updates to the instructor s resources include an Instructor s Manual Power Points and a new test bank New to the Second Edition Includes a new chapter on Theoretical Integration of Approaches in Counseling New discussions on how to successfully use telehealth for interviewing and counseling Includes Hot off the Press boxes highlighting cutting edge research to inform strategies for counseling and professional development The entire text has been updated with the latest research and clinical references Key Features Includes an emphasis on multicultural competence and humility throughout the text and features a Spotlight on Culture focusing on specific cultural considerations in each chapter Provides a balanced integrated theoretical and practical approach to interviewing and counseling with a focus on skills development Discusses evidence based practice assessment diagnosis and when how to end treatment Teaches the fundamental skills of empathy active listening treatment planning and developing a strong therapeutic alliance with the client

Industrial Management, 1926 *English Essentials for the High School* Harry Gilbert Paul, William D. Miller, 1929 **Interviewing in Criminal Justice** Robert A. Shearer, 1993 **Industrial Management** John Robertson Dunlap, Arthur Van Vlissingen, John Michael Carmody, 1921 Career Essentials: The Interview Dale Mayer, 2011-05-11 Today s economy is tighter and more complex than ever before With no time or money for mistakes companies need to find the right person for every position quickly and efficiently To have reached the interview stage is a feat in itself Now it s critical that you not only get through the interview but that you dominate the competition If this is the job you want there is no room for errors not when there are hundreds of solid candidates lined up behind you This book details the many different kinds and styles of interviews in addition to the steps to take before during and after the interview for maximum effectiveness Tough questions will be asked in an interview You need to answer them and ask a few hard questions of your own The skills and techniques you will learn here will stay with you throughout your life to be utilized in multiple situations helping you to enjoy a rewarding career This is the 3rd book in the Career Essential series and it covers all the essential information you need to know about interviewing successfully and so much more Like all the books in this series the information presented here is concise and clearly laid out in an easily accessible style so it s fast to read and easy to follow Good luck

Industrial Management John R. Dunlap, 1920 *The Essentials of Self-government England & Wales* Ellis Thomas Powell, 1909
