FACES OF DEATH II

VHS

For those of you who have experienced the shock of the original classic *Faces of Death*, prepare yourselves. Here, once again, the most bizarre, grisly death experiences are documented in the macabre study of mutilation and death.

Packed with actual film footage, *FACES OF DEATH Part II* explores their macabre and natural stories in a brutally frank investigation of a subject which frightens, yet fascinates -- the dark territory of death.

Unwashed by the censor's hand, *Part II* will leave you gasping and shaking as you witness first hand and close-up the disgusting, brutally dealt to a young woman who goes down "for the very last time" -- the heinous tragedy of an execution, the scathing, marring results of our nation's drug industry, the surgical exploits of disfigurement for you, the unbelievable contraptions of P.C.P. -driven madness, the sights of necrophilia and much, much more.
