FACING AUSCHWITZ

Facing Auschwitz, a film produced by Iris Singer, follows young people from Austria. The documentary centers on the personal reflections of four participants, captured through film, photos, and audio recordings. It provides an intimate look into the minds of these young Austrians as they confront a piece of dark history.

Iris Singer is an Austrian filmmaker and activist who has been telling the story of the Holocaust and survivors of the Holocaust – as well as organising events and tours to remind young people of the importance of history, and the most devastating genocides of the 20th century.
