FLY LIKE AN ANGEL is a family story a biography recounting the adventurous life that Buddy Fly has lived On the surface Buddy appears to be the ordinary man but he has led an extraordinary life Told by Buddys grandniece author Debbie Bewley this is not only a fascinating life history it is also a story about the joy and love that Jesus can bring to life and how that love can touch people in ways that can really make a difference From a back road farm in Selma Mississippi during the Great Depression to the killing grounds of Saipan in World War II to entanglement with the KKK in the 1960s to the miracle laced life of modern days Buddy Fly has touched hundreds of individuals with his compassion love and mercy *Christian Faith, Justice, and a Politics of Mercy* James E. Gilman, 2014-04-10

Christian Faith Justice and a Politics of Mercy The Benevolent Community assumes that the most profound moral conflict today is between two virtues justice and mercy Gilman argues that the two are organically linked through the common experience of compassion In an unjust world justice cannot establish itself but requires in public as well as private life projects of merciful benevolence Mercy alone has the power to subvert patterns of injustice and mercy and projects of benevolence are tailored to establish and sustain patterns of justice especially fair economic outcomes To show this against Rawls Difference Principle Gilman argues for a Distribution Principle which states that social and economic inequalities should be addressed by policies that directly and primarily benefit the least advantaged members of society while at the same time minimizing burdens and or maximizing benefits for the most advantaged Along the way he shows how in the United States benevolence as a public virtue was disestablished along with religion how it might and should be re established without re establishing religion and how the Christian tradition provides resources for evolving morally from a liberal procedural practice of justice to one that embraces egalitarian economic justice as well Finally he demonstrates how in the global community today Christianity and other traditions can and should make benevolent community a reality The Healing Gift of Generosity Bill Kennedy, 2023-12-08
