Faith Hope Charity:

On Second Thought Vernon Bobo,2014-08-18 Experience is the essence of life Cotton fields angels rivers and trees deserted Orphans the author finds them all in the human heart Our omnipresent God liberty freedom and love expressed by the never ending ways of a child A collection that slows the reader down softens the rough edges and touches the heart with words that describe and reveal the common threads which bind us all together in thought and the hope that is within us all

Faith, Hope and Charity Saint Augustine (of Hippo),1947 **Faith, Hope and Charity** Henry Bars,1961 Is it necessary for the Christian to know the true meaning of faith hope and charity Who are the true owners of these virtues and how are they attained The author has undertaken to make the meaning of these virtues clear and to offer guidance as to how we may best prepare ourselves to receive these virtues These are the key virtues for their purpose is to introduce us to eternal life They cannot however be acquired through effort but are given to us as a gift from God The author cautions that we must not wait for these virtues to be given but must strive toward putting ourselves in the proper state to receive them To achieve this state it is essential that we understand the nature and significance of these virtues thoroughly Moreover we must understand the interrelation of the three for there can be no living faith and hope without charity no divine charity without hope and faith
