Women of Faith in the Kitchen ,2007 *The Eyes of a Chef* Fred Raynaud,2014-07-12 Eyes of a Chef is not a cookbook You won t find any recipes between its pages What you will find is a look at Christ and the dynamic themes of Christianity through the lens of cookery and the kitchen The book is more of a devotional than topical in nature The book takes you on a parabolic journey where culinary tales and life experiences reflect the dynamic truth of Scripture It is a journey into the realm of the culinary arts with our eyes turned upward towards Christ and His kingdom It is a look at Christ as well as creation It is a buffet table full of little morsels chapters to cause you to ponder upon the richness of all that Christ is as seen through the eyes of a Chef Each chapter is named after a Biblical concept or theme with the subtitle pointing to the culinary lens that illustrates that truth Dive in and enjoy I pray that the Lord will bless you as you sift through the issues of life
