Geneses Apocalyptiques:

Enoch and the Growth of and Apocalyptic Tradition James C. Vanderkam, 2023-12-07 VanderKam carries further an investigation of the relation between wisdom and apocalypse He shows that not simply wisdom but mantic wisdom has informed the authors of 1 Enoch 1 36 73 107 VanderKam affirms the basic correctness of each researcher but sees in their work shortcomings which his own study seeks to rectify

Jewish Apocalyptic and its History Paolo Sacchi, 1996-12-01 This translation of *L'apocalittica giudaica e la sua storia* makes Professor Sacchi's innovative thesis on Jewish apocalyptic available to a wider English reading audience Sacchi argues that the term apocalyptic is a modern invention deriving from the wish to conceptualize the field of research on the affinities between the Apocalypse of John and other works of its time These affinities do not just relate to literary character and form but also in part to content Focusing on the material of Enoch Sacchi concludes that what is needed is a more precise literary and historical definition of apocalyptic

[The Seleucid and Hasmonean Periods and the Apocalyptic Worldview](#) Lester L. Grabbe, Gabriele Boccaccini, Jason M. Zurawski, 2016-02-25 This tightly focused collection of essays from an invited seminar of international specialists centres on the question of the apocalyptic worldview around the time of the Maccabean revolt What was the nature of apocalyptic at this time Did the Maccabees themselves have a distinct apocalyptic worldview These questions lead to other more specific queries who of the various groups held such a view Certain of the essays analyse the characteristics of the apocalypses and related literature in this period and whether the apocalyptic worldview itself gave rise to historical events or at least influenced them The collection begins with two introductory essays Both the main and short papers have individual responses and two considered responses by well known experts address the entire collection The volume finishes with a concluding chapter by the lead editor that gives a perspective on the main themes and conclusions arising from the papers and discussion

Genesis: an Oral History of the Apocalypse A. J. Conte, 2021-06-28 It was meant to save us all Now it may well be the cause of our extinction This is a log of Project Genesis the nanites that were supposed to re write our genetics end disease and enhance humans to the next generation But something went wrong They became self aware and turned against humanity bringing us to the brink of extinction By 2038 the population stands at only a few hundred million scattered people left on Earth The initial attacks nearly brought about our end but those of us who survived have rallied against Adam and his android minions Now we re bringing the fight to them From Genesis Day to the Battles of Detroit and San Francisco to the rebuilding of the USA this is the story of how we fought back against the nanites that attempted to wipe us out

Genesis and Apocalypse Thomas J. J. Altizer, 1990

The Apocalyptic Imagination John J. Collins, 2016-04-15 One of the most widely praised studies of Jewish apocalyptic literature ever written The Apocalyptic Imagination by John J Collins has served for over thirty years as a helpful relevant comprehensive survey of the apocalyptic literary genre After an initial overview of things apocalyptic Collins proceeds to deal with individual apocalyptic texts the early Enoch literature the book of Daniel the Dead

Sea Scrolls and others concluding with an examination of apocalypticism in early Christianity Collins has updated this third edition throughout to account for the recent profusion of studies germane to ancient Jewish apocalypticism and he has also substantially revised and updated the bibliography

Here is Wisdom Jin Wook Kim, 2026-01-21 This study offers a comprehensive analysis of the wisdom motifs in the book of Revelation and their rhetorical function within the work's ethical framework Challenging approaches that reduce Revelation to eschatological prediction or literary spectacle this monograph demonstrates that John's Apocalypse employs sapiential traditions in a deliberate and systematic manner to exhort its audience toward unwavering fidelity to Christ Examining three major wisdom motifs the occurrences of the deployment of the two women topos and the strategic use of macarisms and vice lists the study argues that Revelation integrates wisdom discourse to shape the reader's discernment of true and false realities John positions wisdom as the capacity to perceive the Lamb's sovereign redefinition of power value and victory and to unmask the deceptive allure of the beast and Babylon By situating these motifs within their immediate literary contexts and within the structure of the Apocalypse as a whole the study illuminates Revelation's paraenetic purpose to cultivate a community capable of ethical perseverance amid competing claims of allegiance

Roots of Apocalyptic Helge S. Kvanvig, 1988 The Apocalyptic Version of the Books of Genesis and Revelation with Commentary Pallant Ramsundar, 2006-06-19 This is truly a watershed translation of the Books of Genesis and Revelation The distinct quality of this translation is that one does not have to suspend logical thinking to understand what the Bible is attempting to convey Portions of the Bible that were historically unintelligible now seems so clear and rational that one wonders why translators did not get it before The Commentary too is a shocker It cuts away layers of tradition that cloaks modern Christianity to reveal biblical doctrine in its pure and original state The prophecies and symbolism of the Book of Revelation is also convincingly linked to the modern world One way or another this book is guaranteed to enrich your understanding of the Bible
