

Gender And Power In The Workplace

Marina A. Adler

Gender And Power In The Workplace:

Gender and Power in the Workplace Harriet Bradley, 1998-11-18 After over two decades of feminist campaigning why is it that men are still paid more than women and established patterns of gender segregation persist Are the feminization of the labour force and the rise of dual earning couples radically affecting the sexual division of labour in the home and at work What roles are played by trade unions in promoting equality between the sexes And if women are finally breaking through glass ceilings is it at the expense of men This important new textbook explores these questions using original material from interviews with female and male employees in five case study organizations The author develops a new approach to power in terms of a range of resources which are used by women to challenge male domination and by men to resist women s encroachment This approach is used to unpack the complexities of power relations of gender and class as they are played out in the everyday lives of working people The interaction of class and gender is also explored at the societal level in terms of increased global competition feminization and the development of a climate of equality fostered by Equal Opportunities programmes Women s expectations are increasing leading them to compete with men for promotion and career advancement but this is taking place in the context of increasing insecurity anxiety and work intensification for all employees especially those in public sector organizations *Gender and Power in the Workplace* makes a major contribution to the sociological analysis of power and to our understanding of how processes of gendering are played out in the sphere of employment

Women in Engineering Judith S. McIlwee, J. Gregg Robinson, 1992-02-06 Who are the women who became engineers in the 1970s and 1980s How have they fared in the most male dominated profession in America This is the first book to answer these questions It explores the backgrounds family lives work experiences and attitudes of engineers in order to explain the unequal patterns of career development for women who generally hold lower positions and receive fewer promotions than their male counterparts McIlwee and Robinson synthesize two theoretical approaches frequently used to explain the status of women in the workforce gender role and structural theories providing new insights into improving women s careers in traditionally male occupations

Gender and Power in the Workplace Harriet Bradley, 1999 Harriet Bradley examines the changing dynamics of gender and class and the interaction between them as they influence and affect the relationships between men and women in the workplace

Gender, Power and Organization Paula Nicolson, 2015-06-10 Work organizations are a major site of gender politics for professional women and men and although there are more women in senior positions than ever before these increased opportunities have not been gained without psychological consequences Evidence based and theoretically driven the new edition of *Gender Power and Organization* raises important questions about gender and power in the workplace and the psychology of women s advancement Twenty years on from the first edition it re examines gender relations at work and asks why despite many years of feminist critique and action we are able to understand the dynamics of the workplace but fail to make them more representative The struggles women face in

professional and public life remain intense not least because many men experience an increasing sense of threat to their long term aspirations and professional positions Using examples from recent research and the author s own consultancy experience this important volume offers a fresh exploration of the psychology of gender and power at work from the development of gender identities and roles to explanations of bullying and sexual harassment in the organization It offers an accessible survey of the subject for professional managers and students of leadership psychology management sociology gender and women s studies

Gender, Power, and Society Marcia Texler Segal,Vasilikie (Vicky) Demos,2025-12-01 Bringing together a diverse set of scholars who apply innovative theoretical frameworks including intersectionality and feminism chapters examine how power is distributed and exercised in various social structures institutions and interpersonal interactions

Organisations, Gender and Power Judy Wajcman,1993

Gender, Power and Politics in Agriculture Jemimah Njuki,Hale Ann Tufan,Vivian Polar,Hugo Campos,Monifa Morgan-Bell,2024-10-07 This is a open access book In the agriculture sector the language of gender integration often ignores the politics and the power dynamics that are central to critical and feminist analysis of gender relations This volume explores largely neglected topics such as power dynamics masculinities gendered social norms feminist research practice intersectionality critical analysis of tools and more that are fundamental to shifting the entrenched power dynamics and politics of gender research in agriculture The purpose of this book is to reduce the gap existing between theory methods and practice of gender relations in agriculture and agricultural research Through an in depth analysis of current processes in agriculture and drawing on existing experiences in other sectors it seeks to create pathways for learning catalyzing change and positive impact on gender equity and social inclusion This volume seeks to bring forth a change in how gender relations in agriculture are researched practiced and taught

Gender Power, Leadership, and Governance

Georgia Duerst-Lahti, Rita Mae Kelly, 1995 Investigates how notions of masculinity and femininity inform ideology political action and institutional prejudice **Gender, Income and Power in the Workplace** Marina A. Adler, 1990 **Gender, Race, and Ethnicity in the Workplace: Legal, psychological, and power issues affecting women and minorities in business** Margaret Foegen Karsten, 2006 Resource added for the Human Resources program 101161 *Disappearing Acts* Joyce K. Fletcher, 2001-06-12 Joyce Fletcher's research shows that emotional intelligence and relational behavior are often viewed as inappropriate because they collide with powerful gender linked images This study of female design engineers has profound implications for attempts to change organizational culture Joyce Fletcher's research shows that emotional intelligence and relational behavior are often viewed as inappropriate because they collide with powerful gender linked images Fletcher describes how organizations say they need such behavior and yet ignore it thus undermining the possibility of radical change She shows why the female advantage does not seem to benefit women employees or organizations She offers ways that individuals and organizations can make visible the invisible work *Sex and Power Issues in the Workplace*, 1992 *Lean Out* Marissa Orr, 2019-06-11 Girl gangs reigning terror at Facebook narcissistic overlords at Google this is the backdrop of *Lean Out* which takes readers on the journey of Marissa Orr a single mom of three trying to find success in her fifteen year career at the world's top tech giants Orr delivers an ambitious attempt to answer the critical question What have we gotten wrong about women at work This book is a must read for insights on the impact that reversing systemic gender biases can have on creating more diverse healthier workplaces for both women and men Joanne Harrell Senior Director USA Citizenship Microsoft This book will make you think differently about what it will take for women to succeed at the highest levels in American business Rishad Tobaccowala Chief Growth Officer Publicis Groupe *Lean Out* offers a new and refreshingly candid perspective on what it's really like for today's corporate underdogs Based on both in depth research and personal experiences Orr punctures a gaping hole in today's feminist rhetoric and sews it back up with compelling new arguments for the reasons more women don't make it to the top and how companies can better incentivize women by actually listening to what they have to say and by rewarding the traits that make them successful In *Lean Out* Orr uncovers Why our pursuit to close the gender gap has come at the expense of female well being The need to redefine success and change the way corporations choose their leaders The way most career advice books targeting professional women seek to change their behavior rather than the system Why modern feminism has failed to make any progress on its goals for equality More than fifty years since the passage of the Equal Pay Act the wage gap still hovers at 80 percent and only 5 percent of CEOs in the Fortune 500 are women Today rising up the ranks in many companies still often means cutthroat win at all costs tactics where being the loudest voice in the room is more important than being the person with the best ideas for moving the company forward Not surprisingly most women don't want to play this game An everyday working woman with a sardonic sense of humor Orr is an endearing antihero who captures the voice for a new generation of women at work *Lean Out*

presents a revolutionary path forward to change the life trajectories of women in the corporate world and beyond **The Pink Corner Office** Suzanne Penn, Ph.D.,2006-12-21 As women we face a number of challenges as we strive to succeed in the workplace Understandably we feel conflicted The glass ceiling and the unique stresses that we endure at all levels have been influenced by our historical and traditional roles as mothers in the home and as sexual objects Society teaches us that a woman s place is in the home as wife and mother A woman who excels is looked upon as an anomaly and there is wide spread perception that women do not make effective leaders In addition at all levels in the workplace women are vulnerable to sexual harassment Working women particularly women in professional careers with long hours have to find ways to balance work with family responsibilities This book is a study of the tight rope we walk every day You will be challenged to create your own sense of balance This book will encourage you to reach out for mentors to search for support groups of other like minded women and to give back to younger women This is a must read for any woman who is currently in college or graduate school and about to enter the workplace Today s young professional woman needs to understand the challenges that awaits her In addition women who are currently in the workplace will see themselves in this book The author is Dr Suzanne Penn She is a successful entrepreneur and professional speaker who has taught women in some of America s leading colleges and universities for over 25 years as an adjunct professor She is a baby boomer and is a product of the University of Chicago s MBA program She attended during the early 70 s when African Americans and women were a novelty on the campus of Ivy League institutions Dr Penn is married to Algernon H Penn and together they have three adult children Jamila Drake and Alexandria Dr Sue can be reached at info suzannepenn com Contact her directly for more discussion on how to balance life family and the workplace **Power, Sexuality and Gender Dynamics at Work** Roop Sen,Uma Chatterjee,2020-12-15 The book through real life narratives explores the dynamics of power and sexuality at the workplace reflecting on organizational policies and guidelines that are the need of the hour to make workplaces free of sexual harassment [The Interplay of Work Power and Family Power](#) Söng-hun Yi,1997 [Sex and the Office](#) Julie Berebitsky,2025-09-30 This transformative book examines men s and women s changing attitudes toward sex and gender in the US workplace Between 1870 and 1970 white collar office work became the leading form of employment for American women As more and more women took office jobs men and women workers attempted to make sense of this new environment where the workplace became a site of gendered power negotiations Emotional and sexual desires entangled with rational operating procedures Drawing on a wide range of primary sources including government investigation reports scandal papers memoirs and advice literature Julie Berebitsky describes how women perceived and responded to male desire and discrimination in the office She also offers keen insight into how popular media cartoons advertisements and a wide array of fictional accounts represented wanted and unwelcome romantic and sexual advances in the workplace Now in paperback for the first time this compelling edition includes a foreword that brings Berebitsky s work into the present where the Trump presidencies MeToo movement and global

pandemic provide striking illustrations of the book's enduring relevance. An afterword reflects on Berebitsky's lasting impact as a feminist teacher and scholar in the fields of labor history and women's studies.

Pleasure, Power and Technology
Sally Hacker, 2017-01-06

How are the pleasures of making things work turned into processes of domination? Are there links between gender and military institutions? Does eroticism have something to do with engineering? In this book, first published in 1989, Sally Hacker explores the answers to these and other provocative questions about our attitudes toward work and leisure. Drawing from her broad experience as a sociologist, feminist, and student of engineering, Hacker helps us to understand the impact of technology on our society and how feminist principles can be used to make work life more egalitarian and more humane. In the first part of the book, the author examines various examples of the masculinization of power, ranging from military institutions to the mechanization of farm labor, computer technology, and affirmative action. In the second part, Hacker presents the results of her research on Mondragon, the world's largest cooperative workplace located in Spain. Hacker reaches surprising conclusions about gender and technology at Mondragon: where, in spite of the community's egalitarian philosophy, gender inequality was as pervasive as in capitalist and socialist systems.
