GENERAL CHEMISTRY

The Essential Concepts

The cover features several molecular models on a dark, textured background. In the center, a diatomic molecule is shown with two purple spheres connected by a light-colored rod. To its left, another diatomic molecule is shown with two purple spheres connected by a thin rod. Below these, a V-shaped molecule is depicted with two purple spheres and a bright green beam of light originating from the vertex. Scattered around are several pairs of purple spheres, some connected by thin rods and others not. A green arrow curves upwards from the central diatomic molecule towards the top right.
