Fake Paul:

Paul the Progressive? Eric C. Smith, 2019-11-22 A generation of biblical scholars have sparked a revolution in thinking about the apostle Paul Now bible scholar and progressive Christian pastor Eric C Smith is helping Christians see how that revolution makes a difference for people engaged in the work of justice and inclusion In Paul the Progressive Smith revisits Paul in light of modern biblical scholarship telling the story of a Paul who challenged the norms of his day broke down barriers of gender and ethnicity and re imagined God s plan for the world in terms of radical inclusion and salvation available to everyone [Handbook on Acts and Paul's Letters \(Handbooks on the New Testament\)](#) Thomas R. Schreiner, 2019-11-05

Leading biblical scholar Thomas Schreiner provides an easy to navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages This is the first volume in the Handbooks on the New Testament series which is modeled after Baker Academic s successful Old Testament handbook series Series volumes are neither introductions nor commentaries as they focus primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis The series will contain three volumes that span the entirety of the New Testament with future volumes covering the Gospels and Hebrews through Revelation Written with classroom utility and pastoral application in mind these books will appeal to students pastors and laypeople alike

The Breakup 2.0 Ilana M. Gershon, 2010-12-15 A few generations ago college students showed their romantic commitments by exchanging special objects rings pins varsity letter jackets Pins and rings were handy telling everyone in local communities that you were spoken for and when you broke up the absence of a ring let everyone know you were available again Is being Facebook official really more complicated or are status updates just a new version of these old tokens Many people are now fascinated by how new media has affected the intricacies of relationships and their dissolution People often talk about Facebook and Twitter as platforms that have led to a seismic shift in transparency and over sharing What are the new rules for breaking up These rules are argued over and mocked in venues from the New York Times to lamebook.com but well thought out and informed considerations of the topic are rare Ilana Gershon was intrigued by the degree to which her students used new media to communicate important romantic information such as it s over She decided to get to the bottom of the matter by interviewing seventy two people about how they use Skype texting voice mail instant messaging Facebook and cream stationery to end relationships She opens up the world of romance as it is conducted in a digital milieu offering insights into the ways in which different media influence behavior beliefs and social mores Above all this full fledged ethnography of Facebook and other new tools is about technology and communication but it also tells the reader a great deal about what college students expect from each other when breaking up and from their friends who are the spectators or witnesses to the ebb and flow of their relationships *The Breakup 2.0* is accessible and riveting [Conspiracy](#)
