Family Matters A Laypersons Guide To Family Functioning:

The Leader's Journey Jim Herrington, Trisha Taylor, R. Robert Creech, 2020-01-21 This book helps pastors and church leaders understand the role their personal transformation as Jesus's disciples plays in effective congregational leadership. It shifts the focus of leadership from techniques and charisma to spiritual transformation and developing emotional maturity so leaders can effectively lead congregations to embrace change. End of chapter discussion questions are included. The first edition sold more than 20,000 copies and has been regularly used as a textbook over the past fifteen years. The second edition has been revised throughout and includes a greater emphasis on Bowen Family Systems Theory. **Routledge**

Handbook of African Social Work Education Susan Levy, Uzoma Odera Okoye, Pius T. Tanga, Richard Ingram, 2024-06-06 This timely Routledge Handbook creates a much needed space to explore what makes social work uniquely African as well as shaping, informing and influencing a new culturally relevant era of social work. The specific focus on social work education offers approaches to transition away from the hegemony of Western literature, knowledge and practice models underpinning African social work education. The authors identify what is relevant and meaningful to inform, influence and reconceptualise culturally relevant social work curriculum. Covering Botswana, Cameroon, Ethiopia, Ghana, Guinea, Kenya, Malawi, Nigeria, South Africa, Tanzania, Uganda, Zambia and Zimbabwe, the Handbook comprises both empirical and conceptual chapters, multiple approaches, case studies and key debates on social work education. It is structured in four parts: Approaches to Indigenising, Decolonising and Developing Culturally Relevant Social Work Education; Social Work Education Evolution across Contexts; Embedding Field Practicum into Social Work Education; Knowledge Exchange between the Global South and Global North. The range of indigenous local knowledge that the Handbook presents is crucial to social work evolving and facilitating reciprocal learning and knowledge exchange between the Global South and Global North. Whilst the context of the Handbook is Africa, the topics covered are relevant to a global audience engaged in social justice work across social work, social welfare, social development and sustainability. *Family Nurse Practitioner Certification Exam Premium: 4 Practice Tests + Comprehensive Review + Online Practice*
