Economic Segregation In England:

Economic Segregation in England Meen, Geoffrey, 2005-12-07 One of the key objectives of government neighbourhood policy is to encourage a sustainable mix of tenures and incomes This report addresses questions of why integration has been so difficult to achieve in practice and draws conclusions for future policy The report analyses data from three related empirical studies The first models locally the links between housing labour markets migration deprivation and segregation The second examines the factors behind the individual moving decisions that lie at the heart of segregation and how policy can influence choices The third presents three case studies These are the first empirical studies of their kind to show how segregation and deprivation arise Economic segregation in Britain is aimed at policy practitioners economists and academics working in the fields of housing and neighbourhood revitalisation Although the report deals with technical modelling issues it is written in a style accessible to the non specialist

Handbook of Research on Economic and Social Well-Being Conchita D'Ambrosio, 2018-03-30 The past decade has been characterized by a burgeoning interest in new concepts of individual and social well being The impetus for this new research has stemmed from increased demand from policy makers and civil society for measures of progress that go beyond the traditional measures of GDP as well as improved datasets allowing individuals and households to be tracked over their life course The aim of this Handbook is to chart these developments and provide extensive surveys of many of the recent themes that have emerged in the research literature Some of the topics addressed include poverty relative deprivation and satisfaction economic insecurity social exclusion and inequality income and social polarization and social fractionalization and diversity Each topic is first analyzed from a theoretical perspective followed by detailed empirical discussion
