*Raymond Queneau's Dubliners* James Patrick Gosling, 2019-09-12 This work is a broad ranging exploration of two comic erotic and well nigh feminist novels written by Raymond Queneau *On est toujours trop bon avec les femmes* 1947 and *Journal intime* 1950 Both are set in Ireland were initially published by Editions du Scorpion under the pseudonym Sally Mara and then later published together by Gallimard as *Les uvres completes de Sally Mara* 1962 The book examines Queneau's life when he wrote these texts the pervasive Joycean influences his surreal version of the 1916 Dublin Uprising versus the real event his remarkably accurate Dublin city and his use of the Irish language The seven core chapters are explorations of prominent aspects of these works and most involve the solution of puzzles by means of investigations of contexts contemporary events and a wide variety of sources In conclusion the book makes a convincing case for the literary and entertainment value of *Les uvres completes de Sally Mara* as a long planned and subtly integrated work

**Polygamy** Sarah M. S. Pearsall, 2019-08-20 A groundbreaking examination of polygamy showing that monogamy was not the only form marriage took in early America Today we tend to think of polygamy as an unnatural marital arrangement characteristic of fringe sects or uncivilized peoples Historian Sarah Pearsall shows us that polygamy's surprising history encompasses numerous colonies indigenous communities and segments of the American nation Polygamy as well as the fight against it illuminates many touchstones of American history the Pueblo Revolt and other uprisings against the Spanish Catholic missions in New France New England settlements and King Philip's War the entrenchment of African slavery in the Chesapeake the Atlantic Enlightenment the American Revolution missions and settlement in the West and the rise of Mormonism Pearsall expertly opens up broader questions about monogamy's emergence as the only marital option tracing the impact of colonial events on property theology feminism imperialism and the regulation of sexuality She shows that heterosexual monogamy was never the only model of marriage in North America

*A Frenchwoman's Imperial Story* Rebecca Rogers, 2013-01-16 Eugenie Luce was a French schoolteacher who fled her husband and abandoned her family migrating to Algeria in the early 1830s By the mid 1840s she had become a major figure in debates around educational

policies insisting that women were a critical dimension of the French effort to effect a fusion of the races To aid this fusion she founded the first French school for Muslim girls in Algiers in 1845 which thrived until authorities cut off her funding in 1861 At this point she switched from teaching spelling grammar and sewing to embroidery an endeavor that attracted the attention of prominent British feminists and gave her school a celebrated reputation for generations The portrait of this remarkable woman reveals the role of women and girls in the imperial projects of the time and sheds light on why they have disappeared from the historical record since then The Body and the Screen Michele White,2006 White shows that despite the onscreen promise of empowerment and coherence through depictions of materiality that structure the experience fragmentation and confusion are constant aspects of Internet spectatorship BOOK JACKET *Classed List* Princeton University.
