**Only Love Is Real** Tom Larontonda,2013-06-14 As long as worldly love continues to be considered our means of salvation we will forever experience war greed hunger disease homelessness and every other form of pain and suffering that the dream can create This book is not about vastly improving worldly love into something newer better and bigger That strategy has gone on for centuries yet world peace has never been achieved This book is one souls humble yet dedicated attempt to truly connect with those who will listen and inspire them to stop and hear the magnificence of their heart and to put aside the egos insane influence and ask one simple question What has my strong allegiance to the illusions of this world truly created in my life

**Clair-obscur of the Soul** Jean-Yves Solinga,2008 Clair Obscur of the Soul by Jean Yves Solinga is a book of poetry by a poet of immense ability and range whose poetry collected in this book is truly remarkable It contains many breathtakingly beautiful and sophisticated poems which reach out to the very limits of the human condition where true art exists They are a product and symbolically reflect a life of cultural duality and a search for the cool plains of resolution with the past He came from the solar heat of French Morocco to the Labradorian cold coastal waters and countryside of New England His father a gendarme mother sister and brother had gone through the tragic war years of occupation in Marseille which would later become the topic of conversation at the dinner table He was then transferred after WWII in 1946 to Sidi Bel Abbes where Jean Yves was born in the hospital that serviced the Headquarters of the French Foreign Legion on the periphery of the Sahara in Algeria The family traveled again with Jean Yves only a month old to Sale just south of Sidi Moussa in Morocco where his father was posted The journey was very difficult for the adults but Jean Yves spent most of it comfortably sleeping on the garments in a suitcase The family settled and Jean Yves spent an idyllic childhood in the sun of North Africa He attended French grammar and secondary schools His memories of that time are of the joy of being aware of the pleasure of sight the cocoon of the innocence of youth unconscious of geopolitical matters His family having decided to settle in America sent Jean Yves at age 14 ahead alone in order not to miss the start of the school term Living in New England he would experience first hand one of his many future encounters with the freezing cold and snow which up to that time had been seen on Christmas cards A new and completely different life began He had already written poetry by the time of his bachelor s degree and a brief tour of duty in the US Army after which he began a career teaching French Language Culture and Literature in Connecticut schools and colleges He completed a Masters and then a PhD on North Africa before retiring in 2004 at which time he earnestly concentrated on his writing The title Clair obscur of the Soul was chosen because it is indicative of this cultural duality and many of the poems in this book draw you into a world of intellectual contrasts where one reality is juxtaposed with another that is simultaneously fascinating unsettling and revelatory As you read Jean Yves poems you are immediately aware that here is a previously unpublished poet with an effortless ability to use language conveying myriad emotions creating an ambience of mellifluous subtlety with immense depth from the very first poem Jean

Yves free prose style of poetry which eschews more traditional forms is not in the least affected or pretentious but rather it is immanent to his expansive vision and narrative voice as a poet This is a remarkable book and debut from a poet who has lived through some of the important social upheavals of the late 20th century and writing from the depths of his soul A book of poetry that must be read by all those interested in a singularly unique view of life that may redefine the capacity of poetry to be what it should be the art of expressing pure thought about the existential human condition **Eugene Field's Creative Years** Charles Henry Dennis,1924 **Speeches, Arguments, and Miscellaneous Papers of David Dudley Field** David Dudley Field,1884 **Je E(s)t Un Autre** Holly Noel Haahr,1999 *The Galaxy* ,1872 High Finance in the Sixties Charles Francis Adams,1929 *Kate Field's Washington* ,1891 **The Nation** ,1993-07 **A Complete Dictionary of Poetical Quotations** Sarah Josepha Buell Hale,1881 *In the rice-fields, and other stories by the marchesa Colombi, tr. by A.
