The Influencer Factory Grant Bollmer, Katherine Guinness, 2024-04-16 Influencers are more than social media personalities who attract attention for brands argue Grant Bollmer and Katherine Guinness They are figures of a new transformation in capitalism in which the logic of the self is indistinguishable from the logic of the corporation Influencers are emblematic of what Bollmer and Guinness call the Corpocene a moment in capitalism in which individuals achieve the status of living breathing talking corporations Behind the veneer of leisure and indulgence most influencers are laboring daily usually for pittance wages to manufacture a commodity called the self a raw material for brands to use with the dream of becoming corporations in human form by owning and investing in the products they sell Refuting the theory that digital labor and economies are immaterial Bollmer and Guinness search influencer content for evidence of the material infrastructure of capitalism Each chapter looks to what literally appears in the backgrounds of videos and images the houses cars warehouses and spaces of the market that point back to the manufacturing and circulation of consumer goods Demonstrating the material reality of producing the self as a commodity *The Influencer Factory* makes a crucial contribution to our understanding of contemporary economic life

The Book of Homes Andrea Bajani, 2025-08-05 From prizewinning Italian author Andrea Bajani the secrets of a man and his country as seen through the eyes of the homes that have guarded them A finalist for Italy's prestigious Strega Prize *The Book of Homes* is a remarkable achievement a sprawling story that unfolds across much of Italy and yet that is told within the confines of the homes of its characters and often from the point of view of the homes themselves the many homes that shaped our main character named I though the novel is in third person the home of I's childhood companion a turtle in her shell the final homes of two figures whose murders shattered a country a kidnapped murdered politician a poet dead in the street run over by his own car Both chilling and touching *The Book of Homes* is an ambitious coming of age story unlike any other One that jumps from home to home upstairs to downstairs decade to decade and slowly reveals the blueprints the puzzle pieces to a life's story Extraordinary emotionally resonant and utterly unique *The Book of Homes* affirms Andrea Bajani's status as a major force in contemporary international literature and dares readers to consider what they'd be willing to give up in order to keep themselves

Words of a Prodigal Pamela Tutt, James E. Smith, 2021-11-19 The motivation behind *Words of a Prodigal* I didn't set out to write a book writing was therapy for me My life of an incarcerated person is very difficult not only on the person but on the family as well All I can do here is think about everything I have done was wrong and ask God to forgive me for my sins I began to write about a piece on Restoration That God indeed is a God of Restoration So I put the issues down on paper as I was doing so God gave me a solution from his Holy word Jeremiah chapter 29 11 It will be able to help others and future the gospel so naturally I was going to be obedient After years of so much promise I didn't want to return to a life of disobedient that I was suffering from addiction I have done well and I'm not going back to life that made me ashamed Thank God for forgiveness and mercy
