The background of the entire image is a sunset sky with warm orange and yellow tones. On the left side, there is a dark silhouette of a person's arm and hand, holding a broken metal chain. The chain is broken in two places, with one end still attached to a ring. The person's hand is raised, and the broken pieces of the chain are flying through the air. In the center, there is a semi-transparent rectangular box with a blue-to-dark-blue gradient. Inside this box, the title "Freedom from Bondage" is written in large, white, bold, sans-serif font. Below the title, in a smaller white font, it says "Led by Pastor Cliff and Sister Shirley Kyle".

Woodson,1923 **The Spiritual Automaton** Eugene Marshall,2014-01-02 Eugene Marshall presents an original systematic account of Spinoza s philosophy of mind in which the mind is presented as an affective mechanism one that when rational behaves as a spiritual automaton The central feature of the account is a novel concept of consciousness one that identifies consciousness with affectivity a property of an idea paradigmatically but not exhaustively instantiated by those modes of thought Spinoza calls affects Inadequate and adequate ideas come to consciousness and thus impact our well being and establish or disturb our happiness only insofar as they become affects and thus conscious And ideas become affects by entering into appropriate causal relations with the other ideas that constitute a mind Furthermore the topic of consciousness in Spinoza provides an eminently well placed point of entry into his system because it flows directly out of his central metaphysical epistemological and psychological commitments and it does so in a way that allows us to see Spinoza s philosophy as a systematic whole Further doing so provides a thoroughly consistent yet novel way of thinking about central themes in his thought Marshall s reading provides a novel understanding of adequacy innateness power activity and passivity the affects the conatus bondage freedom the illusion of free will akrasia blessedness salvation and the eternity of the soul In short by explaining the affective mechanisms of consciousness in Spinoza The Spiritual Automaton illuminates Spinoza s systematic philosophical and ethical project as a whole as well as in its details in a striking new way

Running from Bondage Karen Cook Bell,2021-07-01 Running from Bondage tells the compelling stories of enslaved women who comprised one third of all runaways and the ways in which they fled or attempted to flee bondage during and after the Revolutionary War Karen Cook Bell s enlightening and original contribution to the study of slave resistance in eighteenth century America explores the individual and collective lives of these women and girls of diverse circumstances while also providing details about what led them to escape She demonstrates that there were in fact two wars being waged during the Revolutionary Era a political revolution for independence from Great Britain and a social revolution for emancipation and equality in which Black women played an active role Running from Bondage broadens and complicates how we study and teach this momentous event one that emphasizes the chances taken by these Black founding mothers and the important contributions
