Freedom River Doreen Rappaport, 2014-06-30 Describes an incident in the life of John Parker an ex slave who became a successful businessman in Ripley Ohio and who repeatedly risked his life to help other slaves escape to freedom **Friend on Freedom River** Gloria Whelan, 2011-08-02 In 1850 the Detroit River was a major track along the Underground Railroad the last step to freedom The journey across the river was dangerous especially in winter and especially for a 12 year old boy When Louis s father left him in charge of the farm he offered his son this advice If you don t know what to do just do what you think I would have done Louis relies upon his father s words of wisdom when a runaway slave and her two children come looking for safe passage In the second title in our Tales of Young Americans series Gloria Whelan author of National Book Award winning *Homeless Bird* beautifully creates a suspenseful coming of age story while illuminating a difficult time in America s past Ms Whelan s narrative again shows the human spirit will forever shine brightly in dark times *Freedom River* part of our Young Americans series will quickly become a favorite for its important message and look at history from a youngster s eye Artist Gijsbert van Frankenhuyzen a *Sleeping Bear Press* favorite treats the material as only he can Each illustrated page demonstrates the same mastery and devotion to his craft as the young heroes he brings to life *Choral Arrangements of the African-American Spirituals* Patricia J. Trice, 1998-02-12 Although the choral arrangements of the African American spirituals constitute the largest group of folk song arrangements in western literature they have received little scholarly attention This book provides the needed historical and stylistic information about the spirituals and the arrangements It traces the history and cultural roots of the genre through its inception and delineates the African and European characteristics common to the original folk songs and arrangements Ensembles that have perpetuated the growth of the spiritual arrangements from Fisk Jubilee Singers of the 1870s through those currently active are chronicled as well Musicians choral directors and scholars will welcome this first complete text on the African American spiritual genre Annotated listings of titles provide information choral directors need to make ensemble appropriate performance choices Arrangements indexed by title arranger and subject complement the accompanying biographies and repertoire information Well organized and thoroughly researched this text is a valuable addition to music choral multicultural and African American libraries **Freedom Pass London** Mike Pentelow, 2024-10-16 The new thoroughly updated second edition of Bradt s *Freedom Pass London* brings to life the UK capital through 26 carefully curated walks that reveal historical landmarks wildlife hotspots and quiet corners with fascinating pasts As the title suggests this travel guidebook is designed for the 1 1 million people who can enjoy free travel by train tube and bus in central and Greater London thanks to the Freedom Pass but its focus on walking destinations accessible by public transport makes it a must for anyone living in or visiting London One of London s unexpected glories is the way that the city meets countryside not just in the surprisingly rural Green Belt but also in the villagey corners of suburbs along urban rivers and amid the city s commons parks and woodlands The area featured
