Hellbound Heart:

The Hellbound Heart Clive Barker, 2009-03-17 Barker's the best thing to happen to horror fiction for many moons he never fails to deliver the compelling prose and relentless horror his readers expect Chicago Tribune The classic tale of supernatural obsession from the critically acclaimed master of darkness and the inspiration for the cult classic film *Hellraiser* From his scores of short stories bestselling novels and major motion pictures no one comes close to the vivid imagination and unique terrors provided by Clive Barker *The Hellbound Heart* is one of Barker's best a nerve shattering novella about the human heart and all the great terrors and ecstasies within its endless domain It is about greed and love desire and death life and captivity bells and blood It is one of the most frightening stories you are likely to ever read Frank Cotton's insatiable appetite for the dark pleasures of pain led him to the puzzle of Lemarchand's box and from there to a death only a sick minded soul could invent But his brother's love crazed wife Julia has discovered a way to bring Frank back though the price will be bloody and terrible and there will certainly be hell to pay A great read for spooky season nights A perfect addition to any Halloween reading list
