50 Ways to Help Save the Earth Rebecca Barnes-Davies,2009-06-01 This guide outlines fifty ways in which you your congregation and your local community can help fight global warming and enjoy participation in a vital part of Christian discipleship 50 Ways to Help Save the Earth makes a clear connection in a practical and unintimidating way between stewardship of the earth and living one s faith This easy to follow book consists of seven chapters on topics related to global climate change Water Energy Transportation Food and Agriculture People Other Species and Wilderness and Land Each chapter begins with a statement on how the content relates to global warming followed by seven action items ranging from individual efforts to activities that encourage the involvement of the congregational and wider communities **Serving God, Saving the Planet Guidebook** J. Matthew Sleeth, M.D.,2013-05-22 Serving God Saving the Planet is a study that will broaden the conversation with a focus on the dangers of materialism workaholism and spiritual bankruptcy as well as God s endless invitations for us to enjoy what he has created This twelve session study provides simple everyday ways to focus on stewardship and sustainability according to Scripture In the first six sessions Dr Matthew Sleeth explores his personal salvation experience and desire to follow Jesus in the context of the love story God tells in Genesis Dr Sleeth guides readers through each of the created elements reminding them of the God given commission to tend and protect the planet In the final six sessions Dr Sleeth examines how God s original command to tend and protect the planet extends into the actions and activities of every Christian s everyday lives Designed for use with the video **God's Holy Plan to Save Earth** Carol Aubuchon,2008-01-07 The following message was written for you by God This is God Creator of all Heaven and Earth I give this message for you as well as all thus written of Our novel in place I first wish to tell My children that this book is not part of fictional mind The lessons within this novel are true presents of faith given of you through My child of earth to present My thoughts of this Holy Plan Should you be remiss and think otherwise I will bring suffering of mind around earth through her travel of your countries to impress upon your minds how real this message will be taken by My children No one will know when I choose this form of event to broadcast My will of your thoughts given Me But many will fear Our course of action taken when this begins Now I say those of you who know Me will give Me heed of their time and give My daughter just love of her as she brings Our word and direction to you God has chosen to give earth a chance to change what is written in the Bible about the end of the world This Plan is Gods Holy way of letting everyone on earth know that through Him all eternity can change God has no choice but to give love freely to all who He created This is how Our Heavenly Father has graced us since the beginning of time Openly and without grudge of those who have moved against His will for their lives Welcome God into your life for a few hours while you read His Holy terms and conditions regarding this Plan Be as open minded as you think someone else should be to your ideas and allow Our Master Being to invite you into His mind for a change See what God thinks about all the changes mankind has made to confront Satan on his own and how much stronger Our fight against

evil would be if we only let Our Father help us All earth is in turmoil presently and many people have given God prayers to ask for His help We have never learned the correct manner to pray of Our Heavenly Father who justifies our selfish prayer by allowing some correction made us However now God wants us to learn the correct terms of Holy Prayer to His being We need not spend hours in prayer to get what we need to sustain life here on earth But we need correct manner and guidance from God to know how to live each day according to His plan of our life Never before in the history of earth has Our LORD come to us to ask us to give His Soul Peace But today with the publishing of this Novel of Main Events God is changing the way He treats mankind for all time We have never been asked by Our Creator to give Him this much attention before God is now within moments of ending earth of Evil due to Satan and his fellow angels who are tormenting human beings to show their revenge on God for sending them from Heaven Our Father in Heaven is now creating a new world for us where love is prevalent above all else done We need to come to God our life planner for details of the way we need to conduct ourselves daily Should this plan fail and we not live up to the course His plan draws out for us within the next few short years destruction of earth will begin God is asking all mankind to adhere to this plan regardless of your religion background country laws or efforts forced against you This is how earth will replace pain in His soul with the love His time spent with us has greatly deserved Mankind has not given their Heavenly Father love completely as was His will when creating us God created man to show Him honor and give love back to His being Every time man touches against the will of Satan in the presence of The Father it brings excruciating pain of remorse to His being Time now has changed for God is no longer able to withstand our pained attempts of His form He sees us fall into traps set by Satan with no knowledge of this invisible beast of prey Now God is on the at **Saving God's Green Earth** Tri Robinson,2006 The Creator has called us to care for life his creation Unfortunately many evangelical Christians have decided that value has too much political baggage attached to it and has forsaken caring for God s creation In this book pastor and author Tri Robinson clearly shows the biblical mandate for environmental stewardship and how doing so will change the world around us Through biblical examples everyday stories and practical know how Robinson delivers a powerful message that cannot be ignored His insights into how to move people from the idea of stewarding God s creation to actually participating will clearly show leaders in the evangelical Christian community how to raise this value *Life in God's World Life Is for Ever* Jamie LR,2011-02-15 This book will strengthen the faith of God s followers and will help those find their way to God and to inspire more people to find peace and joy from God just for loving God from the pure heart This book will show ways and to guide those looking for more answers and a happier stress free life from God The way Life was meant to be The messages in this book will help those go on that adventure with God through the Holy Bible and to learn more of God and God s true way of Life In God s World and to get answers that most are looking for Amen Amen for God s love Have faith in Our Savior Jesus Christ who will lead us to God s kingdom Trust in God that all will be good Amen Ecotherapy Howard Clinebell,2013-12-19 Here is a trailblazing book on issues of vital
