Heavenly Surrender:

The Heavenly Surrender Marcia Lynn McClure, 2011-02 Genieva Bankmans had willfully agreed to the arrangement She had given her word and she would not dishonor it But when she saw for the first time the man whose advertisement she had answered she was desperately intimidated The handsome and commanding Brevan McLean was not what she had expected He was not the sort of man she had reconciled herself to marrying This man this stranger whose name Genieva now bore was strong willed quick tempered and expectant of much from his new wife Brevan McLean did not deny he had married her for very practical reasons only He merely wanted any woman whose hard work would provide him assistance with the brutal demands of farm life But Genieva would learn there were far darker things grave secrets held unspoken by Brevan McLean concerning his family and his land Genieva Bankmans McLean was to find herself in the midst of treachery violence and villainy with her estranged husband deeply entangled in it

Unfriended Joe Battaglia, 2018-10-02 We live in a hyperconnected world and yet we re more disconnected than ever We spend more time scrolling through Instagram than we do talking with our families We ve never had more friends but we have no one to meet for coffee Joe Battaglia understands that we are wired to have community and that smartphones cannot meet our needs for love acceptance touch and connection In Unfriended Battaglia uses research personal insight and biblical truths to help you leave behind the anonymity of the Internet and get face to face with people go beyond the like button and establish meaningful relationships get out from behind your screen and enjoy God s creation avoid toxic social media debates and become a vehicle of change Unfriended will help you shake off your digital fatigue and get back to real life real world relationships with real people Additional guest chapters by Iris C O Brien Michael Guillen Donna Rice Hughes and Delilah

The Visions of Ransom Lake Marcia Lynn McClure, 2011-09 Youthful beauty naive innocence a romantic imagination thirsting for adventure an apt description of Vaden Valmont who would soon find the adventure and mystery she had always longed to experience in the form of a man A somber recluse Ransom Lake descended from his solitary concealment in the mountains wholly uninterested in people and their trivial affairs And somehow young Vaden managed to be ever in his way either by accident or because of her own unique ability to stumble into a quandary Yet the enigmatic Ransom Lake would involuntarily become Vaden s unwitting tutor Through him she would experience joy and passion the like even Vaden had never imagined Yes Vaden Valmont stepped innocently yet irrevocably into love with the secretive seemingly calloused man Ransom Lake But there were other life lessons Ransom Lake would inadvertently teach her as well the darker side of life despair guilt heartache Would Ransom Lake be the means of Vaden s dreams come true Or the cause of her complete desolation

The Chimney Sweep Charm Marcia Lynn McClure, 2011-12 There was the muffled sound of audience members standing up and Baylee and Candice turned to look behind them Holy smokes Baylee breathed It s like a Navy SEAL convention or something Candice added And it was Baylee couldn t believe that over twenty five of the people in the orientation audience were tall dark handsome buff guys dressed all

in black Each man stood with his feet apart and hands held at his back similar if not exactly like a military at ease stance They re all packing heat too Baylee whispered to Candice as she noted all the holstered sidearms I guess Mr O Sullivan wants to be prepared Candice said I suppose you girls are all wowed now right Tate said from the front row Let s see Candice began looking to Tate and feigning an expression of thoughtfulness Let s say I m being assaulted by some weirdo in the street and who am I going to look to for protection One of these guys she said nodding toward the security staff Or you Tate You who freaked out in June when we were in New York and you thought some guy was looking at you funny You freaked out and slammed Megan s finger in the door and cut it off Who do you think I m going to trust It was an accident and you know it Tate grumbled Baylee did know it Still she found her eyes glancing down the row of chairs in front of her to Megan to the missing first joint and fingertip on her right hand Yeah it was Candice admitted But you still cared more about yourself than Megan The guy was stalking Megan not you Real heroic Tate Way to go to instilling a sense of confidence in me that you would have my back Whatever Tate grumbled turning around in his seat to pout Thank you Brian said to his men Baylee watched as the security staff sat down in unison So there you have it our extra security staff for the next two months As I said if you need assistance just grab a chimney sweep Baylee giggled Grab a cab grab a snack grab a chimney sweep Candice giggled too And you know what I just figured out what I want for Christmas Absolutely Baylee agreed I ll never ring Chim Chim Cher ee with the same mental pictures again
