## **Ethical Dilemmas In Decision Making:**

Courage And Conviction: Ethical Dilemmas, Decision-making, And Resolutions Soo Ping Lim,2019-10-30 Have you ever found yourself in a situation where you would be breaching a law or policy if you help a person in need Do you stand aside when someone needs assistance thinking you have no obligation to lift a finger Is there a way to deal with an ethical dilemma without fear of being mired in the consequences How would you answer an inconvenient question Courage and Conviction deals with the subject of ethical dilemmas in personal and work life It opens with a discussion on the nature of ethical dilemmas and then discusses moral reasoning and what it takes for effective decision making in an ethical dilemma It provides a guide for resolving an ethical dilemma with a step by step resolution framework and a tactical approach Several chapters look at ethical dilemmas in the context of professional work running corporations and public service The book concludes by discussing a common ethical dilemma namely facing an inconvenient question and providing a set of rules for decision making by a person exercising authority Written in a readable and accessible style and peppered with cases and stories to illustrate concepts the chapters in the book end with a bullet point summary and one or two questions for readers to reflect on to deepen their understanding of concepts and their application Related Link s **Ethical Decision Making and Information Technology** Ernest A. Kallman,John P. Grillo,1993 This streamlined discussion of ethical issues in the decision making process supports and supplements any introduction to CIS or MIS textbook Chapter One defines ethics Chapter Two relates ethics to the use of technology Chapter Three applies a four step analysis process to an ethical dilemma illustrating how to reach a defensible decision The remaining chapters of 18 cases challenge the student to apply the knowledge gained in Chapters 1 3 to recognize evaluate and react responsibly to an ethical dilemma The class test cases are based on real business situations Case worksheets guide students in the case analysis This edition offers new and expanded coverage of the Internet privacy and the ACM code The Instructor s Manual contains case objectives key ethical issues discussion ideas guidelines assigning and evaluating cases strategies for managing classroom discussion and lessons to be learned Managerial Ethics Poonam Sharma,Kanika T. Bhal,2004-01-01 What kinds of decisions do managers make in the face of ethical dilemmas What is the logic they use How does their personality affect these decisions Does the environment or the context affect these decisions This book addresses these issues both conceptually and through an empirical enquiry The basic concept of ethics is defined followed by a presentation of the different approaches to studying ethics The overall approach is descriptive focusing on how ethics exist in practice Ethical Leadership and Decision Making in Education Joan Poliner Shapiro,Jacqueline A. Stefkovich,2010-07-02 The third edition of the best selling text Ethical Leadership and Decision Making in Education continues to address the increasing interest in ethics and assists educational leaders with the complex dilemmas in today s challenging and diverse society Through discussion and analysis of real life moral dilemmas that educational leaders face in their schools and communities authors Shapiro and Stefkovich demonstrate the application of

their four ethical paradigms the ethics of justice care critique and profession After an illustration of how the Multiple Ethical Paradigm approach may be applied to real dilemmas the authors present a series of cases written by students and academics in the field representing the dilemmas faced by practicing educational leaders in urban suburban and rural settings in an era full of complexities and contradictions Following each case are questions that call for thoughtful complex thinking and help readers come to grips with their own ethical codes and apply them to practical situations New in the Third Edition An entire new chapter on privacy versus safety including ethical issues such as strip searches gang membership cyber bullying and sexting New cases infused into chapters on early childhood education diverse student populations and technology Updates throughout to reflect contemporary issues and recent scholarship in the field of ethical leadership Including teaching notes for the instructor stressing the importance of self reflection this text is easily adaptable for a variety of uses with a wide range of audiences Ethical Leadership and Decision Making in Education is a valuable book for both aspiring and practicing administrators teacher leaders and educational policy makers

### **Understanding Ethics and Ethical Decision-Making**

Vincent Icheku,2011-08-31 This book has been about ethics and ethical decision making As ethical reflection permeates every decision made in practice the book discussed the importance of developing moral reasoning ability which is crucial for handling ethical dilemma and making ethical decisions in nursing and social work practice The book encouraged the use of models as another form of ethical decision making paradigms The book used discussions based on case studies to illustrate how ethics inform practice and allow one to make decisions that are morally justifiable This book will enable our students to gain a step by step approach to the knowledge and application of Ethics to practice The book drew from the work of many scholars and designed a simple model to help students gain the knowledge of ethical analysis and decision making Vidal Johnson Senior Lecturer in Law and Ethics London South Bank University I was impressed by the way this author consistently addressed both social work and nursing ethical issues highlighting the importance of ethics and application in nursing and social work practice Michelle Evans Senior lecturer in Learning Disability Mental Health and Social Work London South Bank University Most other published books on nursing and social work ethics are often laden with theories and principles This book offers an excellent contribution to the understanding of the relationship between learning ethical theories and principles and their practice applications Jude C Ibe Principal lecturer in Dept of Family Care and Mental Health University of Greenwich London

### **Legal and Ethical Issues for Health Professionals**

George D. Pozgar,2005 *Issues in Recreation and Leisure* Donald J. McLean,Daniel G. Yoder,2005 Learning to resolve a dilemma ethically is a complex skill that recreation leaders and managers must learn in order to be successful because they face ethical issues every day They must ask themselves What is the right thing to do in this situation Is my decision ethical for everyone involved How will my decision affect each of the stakeholders and my career Teaching applied ethics requires an understanding of how moral dilemmas can be justly resolved as well as techniques and approaches to accomplish these goals Issues in Recreation and

Leisure Ethical Decision Making guides students through this complex process of resolving real life recreation dilemmas by presenting activities techniques and a field tested three step process This process helps students develop sound approaches to dealing with contemporary issues in leisure and recreation In addition this text contains the following features Thematic chapters that address current major issues in recreation management therapeutic recreation outdoor recreation tourism and culture so that students can comprehend the range of issues in these diverse areas of recreation Eight case studies based on current dilemmas from a variety of recreation and leisure settings providing students with valuable practice in applying the three step method for resolving ethical dilemmas Learning activities in each chapter that help students apply leisure philosophy to resolve dilemmas Part I explores ethics in leisure services and examines how dilemmas are naturally solved It covers ethical theory and introduces a three step method that can be widely applied Students learn how recreation professionals worked through an actual dilemma and how their problem solving strategies affect their solutions and their careers Part II presents real life dilemmas common to a variety of leisure management areas ethical issues in therapeutic recreation and problems in outdoor education The authors also tackle various issues surrounding tourism including culture sex tourism the natural environment and virtual tourism Part III contains a consideration of professionalism in parks and recreation and related fields a peek into the future and eight contemporary case studies drawn from leisure services fields These case studies test students abilities to apply ethical problem solving by using the three step method presented earlier in the book The studies present issues in four major areas of recreation and leisure Issues in Recreation and Leisure Ethical Decision Making provides new insights into the recreation and leisure profession It comes with a flexible format that can be used for one to three credit hour courses in recreation issues It arms students with the theory and knowledge they need for ethically resolving dilemmas As such it prepares them to make a difference as effective leisure service providers

Ethical Decision Making in School Mental Health James C. Raines, Nic T. Dibble, 2011 This practical guide illustrates a unique seven step process model for resolving ethical quandaries facing school based mental health professionals

**Ethical Dilemmas and**

**Nursing Practice** Anne J. Davis, Mila A. Aroskar, 1991 This text discusses ethical dilemmas in nursing from a philosophical and social viewpoint This third edition has been revised and updated to include new chapters on death and dying and mental retardation The information on AIDS abortion and ethical theory has been expanded

**Islāmic Counselling and Psychotherapy** G. Hussein Rassool, 2024-10-08 Isl mic Counselling and Psychotherapy An Introduction to Theory and Practice provides foundation level knowledge of and perspective on the fundamental principles and practices of counselling and psychotherapy from an Isl mic perspective This groundbreaking practical framework incorporates Isl mic spirituality religion and cultural contexts into the therapeutic process It makes the case that authentic Isl mic spirituality based on submission to God forms the cornerstone of good mental health The book s foundation focuses on the therapist s role and ethical considerations specific to Isl mic psychotherapy It explores the integration of Qur nic teachings and h d ths and delves into dream interpretation and the clinical applications of the Siraat Al Isl mic psychotherapy practice model This thoroughly revised new edition also highlights advances and developments in scholarship and evidence based practices and introduces postmodern psychotherapy approaches like narrative and hope therapy This text provides a clear understanding of the nature scope and process of Isl mic psychotherapy for Isl mic practitioners or clinicians working with Muslim clients

**How Good People Make Tough Choices Rev Ed** Rushworth M. Kidder, 2009-11-24 Should you take a much needed vacation or save money for your children s education Should you protect the endangered owl or maintain jobs for loggers The right vs right dilemmas in which neither choice is clearly or widely accepted as wrong many times present obstacles that call for value based decisions Rushworth Kidder the founder of the Institute for Global Ethics teaches humans to think for themselves in order to resolve any ethical dilemma from the personal to the philosophical A thought provoking guide to enlightened and progressive personal behavior Jimmy Carter

*Ethical Decision Making in Therapy* Elizabeth J. Rave, Carolyn C. Larsen, 1995-08-04 How can clear but abstract ethical principles be applied in the real world of therapy What is the ethical course when two or more principles conflict What are ethical approaches on issues not addressed in traditional professional ethics codes This volume grapples with these and related questions and offers an innovative feminist model that acknowledges the importance of affect in ethical decision making Case scenarios raise ethical dilemmas typical of everyday practice and experienced feminist therapists explain how they might respond A major goal of this volume write editors Rave and Larsen is to sensitize therapists and therapists in training to ethical issues affecting women and girls in therapy Recognizing that women still comprise the majority of clients in most therapy settings each section of the book begins with a context setting discussion on why the issue is important to women Topics include Labeling and diagnosis Money issues including those which arise in managed health care Client therapist overlapping relationships Violence against women Health and reproductive issues Special concerns in treating children and older women Balancing therapist self care with clients needs At least two therapists respond to each ethical dilemma applying the Feminist Therapy Institute s Code of

Ethics developed in 1987 as well as traditional ethical codes of the mental health professions The discussions offer clear and practical guidelines for recognizing and resolving ethical dilemmas encouraging readers to compare their own philosophical viewpoints and ethical approaches Each section concludes with a discussion of implications and references Differences and diversity in race ethnicity and sexual preference are integrated throughout the scenarios and responses The editors and contributors to this book who are from Canada and the United States also represent these diversities as well as a range of disciplines and professions Ethical Decision Making in Therapy Feminist Perspectives will be of lasting importance to psychologists psychiatrists social workers counselors and nurses regardless of setting or theoretical orientation Because ethics education minimal until recently in many mental health training programs is an essential component in training and continuing education this volume serves as a text for students and a resource for professionals

*Moral Issues in Military Decision Making* Anthony E. Hartle,2004 Much has changed in warfare

in recent years with America now dominant on the international scene and terrorism the new enemy In light of these changes the need for moral grounding in military actions is a more pressing concern than ever When it was originally published *Moral Issues in Military Decision Making* reflected the concerns posed by nuclear stalemate and the lessons of Vietnam In that highly praised work Anthony Hartle outlined the essential elements of the Professional Military Ethic created for American military forces In this new edition he reexamines the moral foundations for America's military leadership in the post 9/11 era Considering world affairs since the first edition the Gulf War Bosnia Afghanistan Iraq 9/11 and the emergence of the United States as an unrivaled military power Hartle explains how these events have raised ethical issues that differ dramatically from those of the Cold War by the war on terrorism homeland defense asymmetric warfare the proliferation of American military interventions and the UN's role in peacekeeping operations Using meticulously analyzed case studies twice as many as in the first edition he considers such moral dilemmas as torture challenging superior officers use of overwhelming force and responding to fire in the presence of civilian shields In this revision Hartle examines further the status of professional military ethics in light of current affairs changes in the articulation of military values and recent research In a new chapter on human rights he relates moral principles directly to values embedded in the Constitution and argues that overwhelming American military power cannot succeed unless it is accompanied by the moral force of the values it seeks to protect difficulties of applying conventional laws of war and human rights doctrine in military operations Hartle convincingly shows that national security is as much about the preservation of moral principles as it is about the protection of America's citizens and borders His book demonstrates that the American military must continue to observe those principles in order to be effective in its primary mission

**Counseling Ethics and Decision Making** R. Rocco Cottone, Vilia M. Tarvydas, 2007 This book guides helping professionals using the theme of decision making as an anchor for the discussion of ethics in professional practice Providing a thorough presentation of ethical principles and standards the authors conscientiously examine ethical issues as they manifest themselves within several specialty areas couple and family school mental health career group rehab additions etc and use compelling case studies to illustrate the connection between ethical decision making models and ethical practice This revision includes additional coverage of multicultural issues references the new 2005 American Counseling Association ACA Code of Ethics and includes the highly praised compendium of ethical codes

**Ethical Decision Making in Everyday Work Situations** Mary E. Guy, 1990-03-23 This book takes a new approach to ethics by focusing on the kinds of dilemmas that confront people almost daily on the job The author's unique contribution is to meld philosophy with everyday decisionmaking offering the reader a common sense approach to making ethical decisions Mary Guy introduces ten core values which surround ethical dilemmas demonstrating the way in which personnel can sensitize themselves to the values involved in a problem and reach a solution which maximizes the important values Real life case examples illustrate ethical dilemmas that involve personnel practices organizing strategies reporting functions

supervisory practices whistleblowing and more Throughout the author emphasizes the kinds of concerns which confront the vast majority of employees from ambitious entry level personnel to top executives Realistic in tone the discussion acknowledges the inevitable need to make compromises showing how to optimize ethical values situations that arise on the job and for which no formal rules exist In her introductory chapter Guy defines ethics clarifies the relationship between ethical behavior and morality and presents the ten guiding values that serve as the foundation for ethical decisions Turning to a focus on decisionmaking she explores such issues as the theoretical framework for rational decisionmaking rational decisionmaking in real life the application of ethical analysis to decisionmaking and the definition of ethical decisionmaking The four subsequent chapters present case studies of problems that personnel commonly encounter In each case Guy examines the ethical issues involved applies various scenarios for reaching an ethical decision and demonstrates the tension that exists among ethical decisionmaking coping with daily exigencies and accommodating the preferences of stakeholders The concluding chapter summarizes the relationship between ethics and decisionmaking and offers a prescription for ensuring ethical decisionmaking throughout the organization Must reading for managers in business government and not for profit organizations this book is also an excellent supplemental text for advanced undergraduate and graduate level courses in business and public administration

*The Ethics of the Family* Linda Oravec,Adam Potthast,Stephen Scales,2010-03-08 Our families are our first and most important ethical training grounds But what is the family And what are our ethical commitments to our family members and to the broader moral community After a brief introductory chapter on basic ethical concepts and theories the essays in this volume provide readers with ethical analyses of issues ranging from same sex marriage to a controversial proposal to license parents The chapters cover love sex marriage parents and children the relationship between the family and the larger moral community and the influence of emerging technologies on the ethical issues inherent in family life The volume is intended to open up this exciting territory in applied ethics to those interested in philosophy family studies social work and to anyone who wants a deeper understanding of the ethical forces at work in this most basic social institution

*Foundations of Maternal-Newborn and Women's Health Nursing - E-Book* Sharon Smith Murray,Emily Slone McKinney,Karen Holub,Renee Jones,Kristin L.
