The Encyclopedia of Indian Philosophies, Volume 4 Gerald James Larson, Ram Shankar Bhattacharya, 2014-07-14

Samkhya is one of the oldest if not the oldest system of classical Indian philosophy. This book traces its history from the third or fourth century B C up through the twentieth century. The Encyclopedia as a whole will present the substance of the various Indian systems of thought to philosophers unable to read the Sanskrit and having difficulty in finding their way about in the translations where such exist. This volume includes a lengthy introduction by Gerald James Larson which discusses the history of Samkhya and its philosophical contours overall. The remainder of the book includes summaries in English of all extant Sanskrit texts of the system. Originally published in 1987, The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Buddha: a Drama in Twelve Scenes Sadakichi Hartmann, 1897

IMMORTAL IMMORTAL 01 Trinh The Vien, 2025-08-13

IMMORTAL 01 In 7840 the nine countries in Tianwu Mainland broke out in a great war. After more than ten years of fighting as a result four countries were destroyed and the remaining five countries were also seriously damaged and they were no longer able to continue fighting. Therefore in the end between the five countries they sat down and signed a treaty of non aggression against each other. After the Great War the whole continent seemed to be in ruins and had to start over. In 7878 more than twenty years after the great war between the nine countries there were only five countries left: Qingfeng, Baiyue, Han, Tang, Wusong, and Xinming. After many years of cessation of war these five countries have also recovered their morale. The entire continent of the ancient Wasteland has finally become prosperous again. Changsheng Coke belongs to the scope of the Han Tang Empire. The trees in the cup are always green and full of vitality all year round. According to legend in the past Changsheng Coc was the residence of the first great demon army martial arts who reached the realm of incarnation roaming the continent without enemies.
