With a Foreword by Menachem Begin
THE FOUR-FRONT-WAR

The Most Daring Rescue Operation of the Century...

CROWN

As a war correspondent who watched the tragic story unfold in the streets of Palestine during World War II, I might have written a book that would have been the most honest and accurate account of the rescue of the Jews in Europe and in Palestine during the Second World War. The lessons of the Four-Front War remain as valid today as they were when they were first written. This book deserves to be read and read again. It is a book that should come to the attention of all who are interested in the rescue of the Jews in Europe and in Palestine during the Second World War. It will also make ordinary people aware of the way in which a people, with courage and determination, triumphed over the odds and saved themselves from the clutches of the Nazis and their henchmen.

Dr. William Perl's *The Four-Front War: From the Holocaust to the Rescue of the Jews in Europe and in Palestine* is a well-written and documented account of the efforts to rescue the Jews of Europe and in Palestine during the Second World War. Dr. Perl's book is a masterpiece of research and scholarship. It is a book that should be read by all who are interested in the rescue of the Jews in Europe and in Palestine during the Second World War. It is especially instructive in this year of the Holocaust when we again remember the rescue of the Jews.

The justly praised account of a troubling historical period, this new book is an extremely well-documented treatise that comprises the plight of the Jews in Europe and in Palestine during the Second World War. The lessons of the Four-Front War remain as valid today as they were when they were first written. This book deserves to be read and read again. It is a book that should come to the attention of all who are interested in the rescue of the Jews in Europe and in Palestine during the Second World War.

Dr. Perl paints a picture of heroic dignity in the face of death, unprecedented courage in the face of despair, and the remarkable heroism of the human spirit. In a country where, in the face of the Holocaust, the Jews were persecuted and murdered, this book deserves to be read and read again. It is a book that should come to the attention of all who are interested in the rescue of the Jews in Europe and in Palestine during the Second World War.
