Four Gospels:

The Four Gospels as Historical Records, 1895 *The Four Gospels and the One Gospel of Jesus Christ* Martin Hengel, 2000 For the evangelists and for Paul the gospel is both narrative and proclamation **WHY FOUR GOSPELS** A.W. Pink, Rev Terry Kulakowski, Editor, 2015-11-30 In sending forth this little book much of which has been gathered up from the labors of another we are reminded of the words of the Apostle Paul to Timothy his son in the faith And the things that thou hast heard of me among many witnesses the same commit thou to faithful men 2 Tim 2 2 And again But continue thou in the things which thou hast learned and hast been assured of knowing of whom thou hast learned them 2 Tim 3 14 We are fully assured that there is very much in the four Gospels which manifest the Divine perfections and distinctive beauties of each one which has not yet been brought forth by those who have sought to explore their inexhaustible depths that there is here a wide field for diligent research and that those who will pursue this study prayerfully for themselves will be richly rewarded for their pains Exploring the Word of God: the Four Gospels Grace International, J. Feazell, Michael Morrison, Joseph Tkach, James Herst, Paul Kroll, Timothy Finlay, 2014-10-03 The person and work of Jesus Christ is at the heart of Christianity So we would expect the Christian Scriptures to include an account of Jesus life But why do we have four the Gospels According to Matthew Mark Luke and John Isn't this redundant Wouldn't one be enough On the contrary our knowledge of Jesus Christ would be incomplete if we had only one Gospel Or even if we had three Gospels but were missing one Matthew Mark Luke and John each told the story from a different perspective because each had a different audience in mind We tend to blur these four distinctive portraits of Jesus together But knowing how an act or saying of Jesus fits in with each author's perspective can greatly enhance our understanding of its meaning In this volume we examine how each Gospel differs from the others and numerous detailed studies This volume includes 95 articles about the four Gospels collected from Christian Odyssey magazine and other publications of Grace Communion International Illustrations by Ken Tunell The articles were written over a span of 20 years from the 1990s to 2013 They have been edited for this collection *Why Four Gospels? Or, The Gospel for All the World. A Manual Designed to Aid Christians in the Study of the Scriptures, and to a Better Understanding of the Gospels* Daniel Seely Gregory, 2024-06-01 Reprint of the original first published in 1876 *The Four Gospels* William S. Stobb, 2015-06-18 The Four Gospels have been read and studied for nearly 2 000 years As early as the second century Irenaeus Church father and martyr declared that four accounts of the life of Christ were needed no more and no less Yet many Christians in spite of the numerous and excellent commentaries available today cannot answer the question Why four Gospels This in depth volume which took 20 years to research and 10 years to write clearly reveals the necessity of a four fold portrait of Christ Selected excerpts from some of the most celebrated writers of the past such as A Edersheim Chas Erdman F W Farrar Edw Gibbon F L Godet D S Gregory F W Krummacher H H Milman G Campbell Morgan Arthur Pink Sir Wm Ramsay Chas Rollin R C Trench B F Westcott and scores of others are incorporated throughout the book in order to

explain and substantiate the historical background and characteristic differences of the Four Gospels This work is an excellent reference for teachers students and historians but is designed for Christians in all walks of life A homeschooling mother stated that the work is quite readable even by a pressured mom and very worthwhile I especially like the organization of the book which helped me keep my bearings The history is fascinating and helpful *The Four Gospels, as Interpreted by the Early Church* Francis Henry Dunwell,1876 **Exploring the Word of God: the Four Gospels** J. Feazell,Michael Morrison,Joseph Tkach,Jim Herst,Paul Kroll,Tim Finlay,2013-06-25 The person and work of Jesus Christ is at the heart of Christianity So we would expect the Christian Scriptures to include an account of Jesus life But why do we have four the Gospels According to Matthew Mark Luke and John Isn t this redundant Wouldn t one be enough On the contrary our knowledge of Jesus Christ would be incomplete if we had only one Gospel Or even if we had three Gospels but were missing one Matthew Mark Luke and John each told the story from a different perspective because each had a different audience in mind We tend to blur these four distinctive portraits of Jesus together But knowing how an act or saying of Jesus fits in with each author s perspective can greatly enhance our understanding of its meaning In this volume we examine how each Gospel differs from the others and numerous detailed studies This volume includes 95 articles about the four Gospels collected from Christian Odyssey magazine and other publications of Grace Communion International Illustrations by Ken Tunell The articles were written over a span of 20 years from the 1990s to 2013 They have been edited for this collection *The Four Gospels* Burnett Hillman Streeter,2008-02-01 **The Four Gospels** Catherine Upchurch,Ronald D. Witherup, Little Rock Scripture Study,Mary Elsbernd,2009 Indispensable for all who long to know Jesus better The Four Gospels provides a complete reference to the gospels features an engaging layout providing information where you need it includes charts maps and photographs is a source for personal meditation is great for group Bible study too is solidly Catholic in approach comes from the producers of the long standing Little Rock Scripture Study program [A Harmonized Exposition of the Four Gospels](#) Andrew Edward Breen,1908 **Four Gospels, One Jesus?** Richard Burrige,2013-03-21 Fresh exciting challenging and mind stretching Christian Herald Now an SPCK Classic this is probably the most popular modern introduction to the four Gospel portraits of Jesus It is written by an internationally respected biblical scholar and Christian communicator Time and again this book delights the reader as it points out nuances of wording and presentation that are so often the clues to the gospel writer s mind and to his response to the figure of Jesus Contact **The Fourfold Gospel or a Harmony of the Four Gospels** J. W. McGarvey,Philip Y. Pendleton,2020-06-30 **Parallel Lives of Jesus** Edward Adams,2011-11-11 In this highly readable introduction to the Gospels Edward Adams demonstrates how the four canonical Gospels function separately as unique accounts of Jesus life and as narrative renditions of a shared story the Fourfold Gospel Building on the premise that the Gospels are ancient biographies or lives of Jesus Adams examines parallel Gospel passages highlighting the similarities and differences between them He begins by approaching the four Gospels generally then looks at

each of them individually and finally considers six key Gospel passages to further explore the unity and plurality of the Gospels in a more focused way Adams's lucid prose helps to make this text ideal for beginning students of the Gospels

THE FOUR GOSPELS Robert Tremmel, 2011-01-17 A compelling commentary on the four Gospels which utilizes modern historical critical methods yet it is still easy to read and understand This book will teach you inspire you and motivate you to study and experience the Word of God expressed in Mark Luke Matthew and John A must read for anyone takes bible study seriously

The Jesus Story, 2008 The Jesus Story is a seamless narrative woven from the different perspectives of the four Gospel writers Matthew Mark Luke and John The Gospels were placed one after another in the part of the Bible called The New Testament The first three are referred to as the Synoptic Gospels because they describe events from a similar point of view as contrasted with that of John Each Gospel was written to a particular audience to portray a unique aspect of Jesus life and teaching When these four reports are combined into a complete flowing narrative we have the chronological order of every known fact of Jesus life By omitting duplication the four books fit together perfectly The result is not a literary curiosity but a more convincing and readable story than any of the four Gospels alone This masterpiece which took 23 years to complete is true to the original Greek and yet easy to read As for organization the story is divided into seven chapters Jesus's preparation each of the four years of his ministry his final week and his death resurrection and ascension Between these sections the story flows without the distraction of chapter and verse references subject headings footnotes cross references and commentary You'll be able to read the story of Jesus as you would a novel

From publisher's description **The Bible's Four Gospels** Ray Comfort, 2021-04-01 I bring you good tidings of great joy which will be to all people Luke 2:10 The word gospel means good news and who couldn't use some good news these days The first four books of the New Testament called the Gospels contain the very best news ever heard the message of how you can have *Four Gospels, One Christ* Michael John Hooton, 2016-06-03 The four Gospels are the only books in the Bible to tell the same story from four different angles Together they show us not only what Jesus was like and how he lived but how his life can become the model for our own *Four Gospels One Christ* offers an overview of the three years of Jesus public ministry what he did and how he did it as seen through the eyes of Matthew Mark Luke and John And by exploring the themes that run through the four Gospels it invites us to reflect on what it really means to follow Jesus
