The Fourth Sacrifice Peter May, 2018-05-01 AN ELECTRIFYING MIXTURE OF MYSTERY ROMANCE AND HISTORY Kirkus Reviews MAY S WELL PLOTTED FOLLOW UP AMPLIFIES HIS VIVID PICTURE OF A CHAOTIC VITAL MODERN DAY CHINA Publishers Weekly Li Yan and Margaret Campbell are reluctantly reunited this time to track down a killer reenacting a series of gruesome rituals The Chinese police have once more been forced to enlist the services of American forensic pathologist Margaret Campbell this time to investigate a series of four horrific ritual executions in Beijing Detective Li Yan is determined to discover just how one of the victims in particular an American diplomat became caught up in the slaying And he is arguably even more determined to have nothing to do with Campbell whom he finds simultaneously too foreign and too familiar The personal polarity that once attracted Yan and Campbell again strengthens their professional partnership Yet the closer they draw to the truth the greater the danger posed by a killer prepared to do anything to conceal it *The Fourth Sacrifice* Peter May, 2016 Margaret Campbell had finally decided to leave Beijing and the man she loved and return home to the States She had first come to Beijing to conduct a seminar on her specialty forensic pathology for the city s police This was how she met and came to fall in love with the Beijing police detective Li Yan Although they began as enemies the attraction between them was overwhelming until personal tragedies pulled them apart Now the police need an answer to a series of gruesome murders Four men have been killed the first three were Chinese and the fourth man was born in China but became an American in his youth All were victims of what looks like ritual sacrifices The U S ambassador practically forces Margaret to work once more with Li Yan She buries her pain and turns to a new admirer for her free time an American archaeologist who is making a television documentary As Margaret and Li Yan investigate they come closer and closer to finding the truth behind the killer s executions They also come closer to a killer who will sacrifice anyone to conceal a secret

The Cycle of the Year as a Path of Initiation Sergei O. Prokofieff, 2014-03-12 In ancient times humanity possessed an innate knowledge of the spiritual foundations of existence Such knowledge could be acquired through inwardly accompanying the cycle of the year and its connected great seasonal festivals But this instinctive knowledge had to be lost in order for human beings to discover individual freedom In our time as Sergei O Prokofieff demonstrates in this comprehensive work this knowledge must be found anew through the free light filled consciousness of the fully developed human personality Tracing the spiritual path of the yearly cycle Prokofieff penetrates to the deeper esoteric realities of the seven Christian festivals of Michaelmas Christmas Epiphany Easter Ascension Whitsun and St John s Tide Basing his research on the work of the twentieth century initiate Rudolf Steiner he reveals how these festivals are spiritual facts that exist independently of religious traditions and cultural customs Working with the festivals in an esoteric sense can provide a true path of initiation ultimately enabling an experience of the Being of the Earth Christ The journey of study through this book can thus lead the reader to an experience of the modern Christian Rosicrucian path along which it is possible to take the first steps towards life
