Frameworks For Modern Art:

Frameworks for Modern Art Jason Gaiger, 2003-01-01 This generously illustrated volume the first in the Art of the Twentieth Century series introduces and explores a range of contemporary issues and debates about art and its place in the wider culture today The opening chapter discusses key concepts such as modernity modernism autonomy spectatorship and globalization Four case studies follow each devoted to a specific work of art across the span of the century Marcel Duchamp's *Bottlerack* Barnett Newman's *Eve* Ana Mendieta's *Siluetas* series and *Yarla* by the Australian Aboriginal Yuendumu community These works have been selected not only for their intrinsic interest but also for the way in which they open up wider questions of meaning and interpretation that are central to understanding twentieth century art

A Companion to Contemporary Art in a Global Framework Jane Chin Davidson, Amelia Jones, 2023-10-16 A Companion to Contemporary Art in a Global Framework explores the ways specialists and institutions in the fine arts curation cultural studies and art history have attempted to situate art in a more global framework since the 1980s Offering analyses of the successes and setbacks of these efforts to globalize the art world this innovative volume presents a new and exciting way of considering art in its global contexts Essays by an international panel of leading scholars and practicing artists assert that what we talk about as art is essentially a Western concept thus any attempts at understanding art in a global framework require a revising of established conceptual definitions Organized into three sections this work first reviews the history and theory of the visual arts since 1980 and introduces readers to the emerging area of scholarship that seeks to place contemporary art in a global framework The second section traces the progression of recent developments in the art world focusing on the historical and cultural contexts surrounding efforts to globalize the art world and the visual arts in particular global and transnational frameworks The final section addresses a wide range of key themes in contemporary art such as the fundamental institutions and ontologies of art practice and the interactions among art politics and the public sphere A Companion to Contemporary Art in a Global Framework is essential reading for undergraduate and graduate students scholars researchers and general readers interested in exploring global art beyond the traditional Euro American context
