In Three Volumes. Vol. I. [-III.] [by James Morier].* James Justinien Morier,1824 **The Adventures of Hajji Baba of Ispahan (Classic Reprint)** James Morier,2015-07-06 Excerpt from *The Adventures of Hajji Baba of Ispahan* The unchanging East reproduces to day the manners and customs of long past ages almost as faithfully and completely to use a simile found in the beginning of this book as the engraved copper plate worn by long use continues to repeat its first impression Parts of the picture have from much use become indistinct some details have been obliterated but the whole subject is there Doubtless since Morier stime the wearing out of the plate has proceeded more rapidly and the impression is more blurred and broken but still this perpetuating of the storied past is the source of the peculiar interest which the study of oriental life has for the restless and progressive peoples of the West To visit the East is still to step back into the vanished centuries to see with our own eyes the actual mode of life of those bygone ages and the very scene of those remote events and romantic incidents which have the charm of pious association and familiarity that flow from an early introduction to Holy Writ and Eastern fable Thus such a book as the Ad ventures of Hajji Baba makes an appeal to memory and imagination that literature dealing with foreign countries other than Asiatic or with newer peoples cannot put forward For while it is true that for the student of humanity no people or country is unworthy of observation still for most of us Palestine and Persia possess an interest which Central Africa and South Sea Islands lack When the author of Hajji Baba first began to write public interest in Persia was more acute than it had ever been before or probably has been since About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such

as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Adventures of Hajji Baba, of Ispahan. By J. J. Morier ,1824**
