## Hallmarks Of Pentecost:

*The Hallmarks of Pentecost* George Canty, 1989-08-01      *Hallmarks of Pentecost* George Canty, 1989      **Pentecost, Mission, and Ecumenism** J. A. B. Jongeneel, 1992 Walter J Hollenweger born in Switzerland in 1927 and now retired was formerly Professor of Mission at the University of Birmingham UK He is also one of the Editors of the Series Studies in the Intercultural History of Christianity His wide and deep interest in both the Church and Theology also includes Ecumenics He enjoys a worldwide reputation not only for encouraging intercultural theology but also for his contribution to the study of Pentecostalism and Charismatic Renewal In this Hollenweger Festschrift the reader will find many interesting biographical recollections There are references to his case studies based also upon statistical materials which describe the growth of Pentecostalism and Charismatic Renewal together with his systematic reflections on the subject of intercultural encounter They certainly illustrate the emergence of Pentecostalism and Charismatic Renewal in all its many facets No less than twenty six specialists contributed to this Festschrift They come from America Europe Africa Asia and Australia Many of them obtained their doctorates under the supervision of Prof Hollenweger His colleagues have also contributed Their papers range over the same wide field which Hollenweger himself has pioneered and they survey that vast field from many different vantage points thus reflecting the ideals of their own colleague and mentor whose life work is justly honoured by their own labours      *Worship, Ritual, and Pentecostal Spirituality-as-Theology* Martina Björkander, 2024-02-06 Vibrant worship music is part of the Charismatic liturgy all around the world and has become in many ways the hallmark of Pentecostal Charismatic Christianity Despite its centrality scholarly interest in the theological and ritual significance of worship for pentecostal spirituality has been sparse not least in Africa Combining rich theoretical and theological insight with an in depth case study of worship practices in Nairobi Kenya this interdisciplinary study offers a significant contribution to knowledge and is bound to influence scholarly discussions for years to come The book is a must read for anyone interested in Pentecostal worship ritual and spirituality      **Dread and Pentecostal** Robert Beckford, 2011-07-01 In this authoritative and passionately argued book Robert Beckford explores the future of Black British Pentecostalism in a society where the notion of White supremacy even in faith is all too evident Drawing on Black womanist and post colonial theologies of liberation he urges the Black Church to regain its traditional prophetic role as part of its ministry He suggests that the Caribbean s first liberation theology Rastafari has much to offer all Christians concerned with speaking prophetically into social and political life in Britain Reflecting on aspects of Rastafari Black Pentecostalism and the meaning of Jesus in the world today he develops a new model for a Black political faith a Dread Pentecostal theology      **Encyclopedia of Christianity in the Global South** Mark A. Lamport, 2018-06-01 Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world s Christians are now nonwhite and non Western

The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions. The volumes include maps, images, and a detailed timeline of key events. The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved. This encyclopedia, with its more than 500 entries, aims to offer rich perspectives on the varieties of Christianity where it is growing, how the spread of Christianity shapes the faith in various regions, and how the faith is changing worldwide.

Signs & Wonders Paul Alexander, 2009-03-27. The author of *Christ at the Checkpoint* analyzes the appeal of Pentecostalism from the belief in miracles to tongue talking to the prosperity gospel. Combining personal stories and sound scholarship, Paul Alexander, a young scholar with a Pentecostal background, examines the phenomenal worldwide success of Pentecostalism. While most other works on the subject are either for academics or believers, this book speaks to a broader audience. Interweaving stories of his own and his family's experiences with an account of Pentecostalism's history and tenets, Alexander provides a unique and accessible perspective on the movement. When I teach about religion in the current world situation, the most frequent question I get is, "But why is Pentecostalism growing so quickly and in so many places?" I try to explain, but after reading this book, my answer can now be much more complete and well-grounded. This is the book that answers that question. It is fair, accurate, balanced, and written in an accessible style. No one seriously interested in the fastest growing Christian movement in the world can afford to miss it.

Harvey Cox, Harvard Divinity School, author of *Common Prayers*. *'Through the Eternal Spirit', a Bible study on the Holy Ghost* James Elder Cumming, 1891. The Biblical Review, 1916.

Connecting the Chasm Roche Coleman, 2013-05. *Connecting the Chasm* seeks to provide assistance with individual spiritual growth and instruction regarding the essential and foundational biblical truths. It covers the fall of mankind into sin through the purpose of the local church. All Christians should know what the Bible states regarding salvation, discipleship, sanctification, and their roles in the church. However, there is a dearth of knowledge of the fundamental teachings of Scripture, which has created a chasm between the believer and the Bible. Therefore, attention is given to biblical and theological issues that will compel the reader to go beyond the surface and build a firm foundation on the Word of God. Each facet is designed to facilitate individual spiritual growth for the new Christian as well as the mature Christian. A workbook is included to provide further interaction with the material so it may be utilized as a course text for basic biblical beliefs, a new member's orientation course, or a new believer's course.

**Pentecostal Spirituality in Black Female Experience** Marcia Clarke, 2026-01-29. This book focuses on the Pentecostal experience of African Caribbean women in Britain, paying attention to the influence of Pentecostalism as it is expressed in everyday life. Foregrounding the voices of Black British Pentecostal women, it presents the church not as a haven but as a context of empowerment. Pentecostal spirituality provided Caribbean women of the Windrush generation the spiritual and theological means to re-vision the British realities of racism, sexism, and ecclesial patriarchy. Their Pentecostal expression motivated the women to organize churches as spaces of quiet social

activism displayed in the lives of successive generations as they navigate contemporary Britain Utilising qualitative research located within the discipline of practical theology the author considers the following questions What is the nature of the experiential dimension of Pentecostalism in the lives of African Caribbean women What are the features of African Caribbean spirituality And how might the lived experience of African Caribbean women contribute to an understanding of Pentecostal spirituality The book will be of interest to scholars of religion theology history and gender studies     **Sabbath Rest** Mark Scarlata,2019-04-30 Sabbath Rest considers the theological foundations of Christian sabbath keeping in first and second temple Judaism New Testament Christianity and in the early church     **The Abingdon Preaching Annual, 1999 Edition** Michael Duduit,1998-04     The Book of Old Silver, English, American, Foreign, ?c by Seymour B. Wyler; with All Available Hallmarks, Including Sheffield Plate Marks ... Seymour B. Wyler,1937     Back to the Altar Thomas E. Trask,David A. Womack,1994 Back to the Altar invites today s believers to experience a new wave of holy energy Suggests local churches set aside regular days of fasting establish prayer ministries within the church and teach on the theme of revival As the Spirit moves churches will enjoy a biblical balance of both preaching and worship Revival is going to bring healings deliverance tongues manifestations of the gifts and Christlike living The book includes a bibliography     **Spread the Flame** David A. Womack,1993     *Voices from the Third World* ,1991     *Forty-Nine Truths and the Pentecost* John D. Richie,2000-08-21 This work results from years of studying God s Word and observation of the current trends in Christianity The problem with Christianity today is that it has forgotten that the battle is not with those without but with the foolishness sin and unbelief in the believer The forty nine truths contained herein appear to be the most neglected in this age Considering that God s Word is not open to personal interpretation each Scripture quotation is left to individual understanding through the visitation of the Holy Spirit Although some explanation is given my intent is to guide the reader toward understanding and not to impose upon them my own understanding It is perhaps ironic that many Christians professing Jesus to be their Lord and Master may spend eternity in a place they would not desire God s Word states that a follower of Jesus that does not keep his sayings will not inherit the kingdom of heaven The truths discussed herein are the sayings of Jesus not mine The Pentecost follows these forty nine truths It is a day that is in the future It will be a happy day for many but the road thereto is troubled with much tribulation     **The Book of Old Silver, English, American, Foreign** Seymour B. Wyler,1937     The Basilica of St. Mark Eugenio Bacchion,1972
