My Adventures with God Stephen Tobolowsky, 2017-04-18 A delightful collection from legendary character actor Stephen Tobolowsky who currently appears on *The Goldbergs* HBO's *Silicon Valley* and the serial podcast *The Tobolowsky Files* a series of true stories that wrestle with a big idea how belief shapes our lives Funny smart and moving this is a wonderful account of our relationship with the unknowable Susan Orlean New York Times bestselling author of *The Orchid Thief* and *Rin Tin Tin* In *My Adventures with God* Stephen Tobolowsky explores the idea that most people's lives seem to fit into the template of the Old Testament We all have powerful creation myths tales of our childhood and family our first battles won and lost It is our Genesis Then like in the Book of Exodus we go into slavery Rather than building pyramids we lose ourselves in fear and ambition in first loves first jobs too many dreams mixed with too much beer We eventually become free only to wander in the wilderness At some point we stop and proclaim to the universe who we are This is our Leviticus moment We reconcile what we thought we

would be with what we have become We often attempt a mid course correction Then as in the Book of Numbers we are shaped by mortality as we bear the loss of family and friends Finally we retell our stories to our children hoping to make sense of the journey like Moses did in Deuteronomy Tobolowsky s stories tell of a boy growing up in the wilds of Texas finding and losing love losing and finding himself all told through the prism of the Torah and Talmud mixed with insights from science and refined through a child s sense of wonder My Adventures with God is a fast paced precise wide ranging and impressive book draws on the I Ching Talmud Einstein Grimms Fairy Tales and reruns of SportsCenter to create counterpoints when discussing his life of faith This is a well told must read for anyone interested in a comedic adventure with the divine Publishers Weekly
