Jackson II, Elaine B. Richardson, 2014-05-22 This is an extraordinarily well balanced collection of essays focused on varied expressions of African American Rhetoric it also is a critical antidote to a preoccupation with Western Rhetoric as the arbiter of what counts for effective rhetoric Rather than impose Western terminology on African and African American rhetoric the essays in this volume seek to illumine rhetoric from within its own cultural expression thereby creating an understanding grounded in the culture s values The consequence is a richly detailed and well researched set of essays The contribution of African American rhetoric can no longer be rendered invisible through neglect of its tradition The essays in this volume neither seek to displace Western Rhetoric nor function as an uncritical paen to Afrocentricity and Africology This volume is both timely and essential timely in advancing a better understanding of the richly textured history that is expressed through African American discourse and essential as a counterpoint to the hegemonic influence of Greek and Roman rhetoric as the origin of rhetorical theory and practice Written in the spirit of a critical rhetoric this collection eschews traditional focus on public address and instead offers a rich array of texts in musical and other forms that address publics **Effective Speech** Gary Adams, 2019-08-10 Language constitutes the greatest feat of human beings by making a world in which it is possible to communicate with others through words and signs Improve public speaking can be the solution to create new leaders to communicate science and to improve the relationships between people in any type of context and situation One of the main causes whereby a relationship can fail is the lack of good communication often due to fear anxiety of public speaking In Effective Speech book you will learn the essential factors that contribute to distinguishing a great speaker with the help of many tips images and tabs Particularly it will teach the secrets and skills to creating an effective inspiring and memorable speech by discussing the organization the presentation the things to do and the things to avoid In this book you will read How to overcome fear of public speaking The fundamental role of gesture in public speaking The importance of audience
