## GRADING EXERCISES

These exercises are designed to help you understand the relationship between the notes on the staff and the notes on the keyboard. They are intended to be used as a supplement to the main text of the book.

The exercises are arranged in two columns. The left column contains the notes on the staff, and the right column contains the notes on the keyboard. You should play the notes on the keyboard as they are written, and then compare them with the notes on the staff.
