Elective Murder:

Elective Murder Janet McGiffin, 1995 THE HOTTEST ISSUE IN THE STATE LEGISLATURE IS MURDER Senator Irene Wisniewski's hard living has finally done her in Or so it appears when the tough old gal collapses and dies during hearings on health care reform Dr Maxene St Clair on hand to testify about emergency room abuse suspects murder but her friend Detective Joseph Grabowski can't find the evidence to prove it even though for decades Senator Irene has been poison to her colleagues her staff and the lobbyists who court her favor Now the Wisniewski health care bill is also dead and women's issues will soon be buried deeper than ever But rumor insists that Irene was murdered and that another woman senator will be next Before they know it St Clair and Grabowski find themselves entangled in the fevered sometimes ruthless world of state politics where animosities run long and deep and anything goes even murder *Seeking Truth and Speaking Truth*

Robert George, 2025-07-08 A wide ranging collection of essays from one of America's leading public intellectuals In *Seeking Truth and Speaking Truth* acclaimed political philosopher and legal scholar Robert P George tackles one of the most vexing issues dividing Americans today He argues that the Age of Faith of the Medieval period and the Age of Reason of the European Enlightenment have been followed by a modern Age of Feeling in which people derive their beliefs not from faith or reason or faith and reason but from emotion which becomes the central source of truth And so many have embraced a fierce moral absolutism on the basis of beliefs that are the products of nothing more than subjective inclinations and experiences This collection of essays challenges the Age of Feeling by appealing to reason in the pursuit of sound moral understanding on crucial and contentious topics of human dignity the definition of marriage philosophy of law constitutional law the nature of civil liberties free markets and others Robert George has taught generations of students at Princeton University and Harvard Law School and he has long proclaimed that a teacher's sacred mission is to form his students to be determined truth seekers and courageous truth speakers In *Seeking Truth and Speaking Truth* he shows us how it is done

Coping with Choices to Die C. G. Prado, 2010-11-01 This book examines the reactions of the friends and family of those who elect to die due to terminal illness These surviving spouses partners relatives and friends in addition to coping with the death of a loved one must also deal with the loved one's decision to die thus severing the relationship C G Prado examines how reactions to elective death are influenced by cultural influences and beliefs particularly those related to life death and the possibility of an afterlife Understanding the role of these cultural influences on the grieving processes of survivors is a crucial step in allowing them to accept both intellectually and emotionally the finality of elective death and to deal with the decision of their loved one *Understanding Death and Dying* Sandra Galdieri Wilcox, 1985 *Understanding Death and Dying*, 1981

What If We Don't Die? Peter Hulsroj, 2015-09-09 This book deals with the very real possibility of earthly immortality and the human and societal implications of such immortality including whether it is desirable It looks at what makes immortality appear so attractive and at the possibility that we would be better served with longer lives and the

freedom to terminate our lives at the time when life has given us all the joy inspiration and personal development it possibly could What If We Don t Die Presents major moral dilemmas associated with human immortality something which seems imminent due to rapidly progressing biomedical research Touches on big questions is it acceptable that the immortal generation will be the last How much life do you want What is the purpose of life if life never ends Will trigger your imagination by putting a new spin on free will current concepts of time and eternity the possibility of multiple universes and multiple yous What If We Don t Die draws extensively on philosophical and religious thought on the purpose of life and introduces novel perspectives on existence personality and immortality based for instance on quantum mechanics and multiverse theory
