Family Project:

The Family Project Focus on the Family, Glenn T. Stanton, Leon C. Wirth, 2014-07-16 We all know what families look like when they're broken. But how were they meant to look? Authors Glenn Stanton and Leon Wirth rediscover the Creator's majestic plan behind this essential, endangered institution and bring it down to earth with practical application for every spouse and parent. This book is an extension of Focus on the Family's much-anticipated The Family Project, a 12-week church and small group series that will change the way moms, dads, wives, and husbands see themselves and help them build healthy households from the best blueprint of all. While following the topic outline of The Family Project curriculum, this book stands alone and delves into the subject areas more deeply. It provides a solid exploration of God's design and the transformative purpose of biblical families and also offers down-to-earth help for living out God's design in your own family, along with inspiration for helping others do the same.

The Family Project Devotional Ray Seldomridge, Focus on the Family, 2014. The Family Project Devotional offers a year of powerful inspiration and biblical application to spouses and parents. Taking biblical admonitions such as to bear one another's burdens and to encourage one another, this devotional then applies them specifically to family life. For each of the 52 weeks, this devotional offers the week's title and topic, an opening prayer, Scripture readings for each day, plus a featured verse of the week, reflection questions, or an activity for each day. A summary of the biblical teachings, quotable quotes, closing prayer. This devotional complements Focus on the Family's much-anticipated The Family Project, a curriculum designed to change the way moms, dads, wives, and husbands see themselves and to help them build healthy households from the best blueprint of all.
