

MAN ON MOON

'It's very pretty up here . . . a fine, soft surface'

Talking Neil Armstrong into taking a first step

INDUSTRIAL — Here is the conversation between Mission Control Team and Tranquility Base beginning on July 20, 1969, as the landing craft Eagle 11 proceeds to the moon.

The hatch opened, Col. Aldrin talked Mr. Armstrong through his manoeuvres with a television camera and backpack through the Eagle's hatch.

ARMSTRONG: Up, now you're clear . . . now move it toward me. Straight down. Make a little bit. Plenty of room. Now you're just a little bit. To ward me a little bit. Okay. Okay, now you're clear . . . You're touching the . . .

ARMSTRONG: What angle?

ARMSTRONG: . . . roll to the left. Okay, now you're clear. You're lined up on the platform. Move your left foot to the right a little bit. Okay. That's good.

ARMSTRONG: Okay, now I'm gonna check . . . there.

AUSDIN: Okay, you're not quite squared away. Go to the, go right a little. Now you're even . . . That's good. Got plenty of room to your left. It's a real nice one. One, two, three, four.

ARMSTRONG: How are I doing?

AUSDIN: You're doing fine.

ARMSTRONG: All right, now you want this bag?

ARMSTRONG: Yeah, Got it. Okay, Houston, I'm on the porch.

Astronauts looked to the earth through their helmet visors from the lunar module's porch.

A giant leap for mankind

By THE ASSOCIATED PRESS
 The world's first moon landing, the most dramatic event in human history, was watched by millions of people.

The astronauts, Neil Armstrong and Michael Collins, landed on the moon at 10:56 p.m. EDT on July 20, 1969. The landing was the first time a human has ever set foot on another planet.

The astronauts spent about 21 hours on the moon, during which they conducted a series of experiments and collected samples of lunar rock and soil.

The moon landing was a major milestone in the space race between the United States and the Soviet Union. It demonstrated the United States' technological superiority and its ability to land humans on another planet.

The moon landing was also a triumph for the American space program, which had been facing criticism and budget cuts in the years leading up to the mission.

The moon landing was a source of national pride and inspiration for many Americans. It was a reminder of the country's ability to achieve the impossible.

The moon landing was also a source of international interest. It was the first time that a human had ever set foot on another planet, and it was a major event in the history of humankind.

Luna orbiting closer to moon, landing possible

WASHINGTON — The Soviet Luna 16 lunar probe is orbiting the moon at a distance of 100 kilometers, according to a report from the Soviet space agency.

The probe is expected to land on the moon's surface in the next few days. It will collect samples of lunar soil and rock and return them to Earth.

The Luna 16 mission is the first of a series of lunar probes that the Soviet Union is planning to launch in the next few years.

The probes will be used to study the moon's geology, atmosphere, and other characteristics. They will also be used to test the feasibility of a human lunar landing.

The Soviet space program has been making significant progress in recent years. It has launched several successful lunar probes and is planning to launch a manned lunar mission in the next few years.

The Soviet Union's lunar program is a major challenge to the United States' lunar program. It is a source of national pride and inspiration for many Soviets.

The Soviet Union's lunar program is also a source of international interest. It is a reminder of the country's technological superiority and its ability to achieve the impossible.

35,000 fill Nathan Phillips Square for Toronto's lunar landing party

TORONTO — A record-breaking crowd of 35,000 people gathered in Nathan Phillips Square for the lunar landing party on Monday night.

The party was held to celebrate the moon landing and to watch the live broadcast of the event. The crowd was a mix of people of all ages and backgrounds.

The party was a major success for the city of Toronto. It was a source of pride and inspiration for many Torontonians.

The party was also a source of international interest. It was the first time that a human had ever set foot on another planet, and it was a major event in the history of humankind.

The party was a source of national pride and inspiration for many Canadians. It was a reminder of the country's technological superiority and its ability to achieve the impossible.

The party was also a source of international interest. It was a reminder of the country's technological superiority and its ability to achieve the impossible.

Drunks prefer moon-watching to jail term

ALBANY, N.Y. — A group of drunk men in Albany, N.Y., were charged with disturbing the peace after they refused to leave a public square during the moon landing party.

The men were charged with disturbing the peace after they refused to leave the square during the moon landing party. They were charged with disturbing the peace after they refused to leave the square during the moon landing party.

Woman dies in crash, police seek to charge Kennedy

ALBANY, N.Y. — A woman died in a car crash on Monday night, and police are seeking to charge a man with the crime.

The woman, 35-year-old Mary Kennedy, was driving her car on a residential street in Albany, N.Y., when it crashed into a tree. She was killed instantly.

Police are seeking to charge a man, 30-year-old John Kennedy, with the crime. They believe he was driving the car at the time of the crash.

The man was arrested on Monday night and is being held in custody. He is being charged with driving while intoxicated and causing the death of another person.

The man's attorney is denying the charges. He says his client was not driving the car at the time of the crash.

The police are still investigating the crash. They are looking for witnesses and evidence that could help them identify the driver.

The crash was a major tragedy for the community. The woman was a well-known figure in the area.

The police are seeking to charge the man with the crime. They believe he was driving the car at the time of the crash.
