## **Environment And Community Empowerment:**

Community Development Hennie Swanepoel, Frik De Beer, 2006 Based on foundations of participation and empowerment this entry level study covers every aspect necessary to mobilize a community to fight poverty Chapters address issues such as the principles of community development starting and maintaining community projects and workshops recruiting and motivating members and decision making and problem solving management *Consolidated Annual Report for HUD's Community Development Programs* United States. Office of Community Planning and Development, 1996 **Environmental Justice, Popular Struggle and Community Development** Anne Harley, Eurig Scandrett, 2019-06-05 Struggles for environmental justice involve communities mobilising against powerful forces which advocate development driven increasingly by neoliberal imperatives In doing so communities face questions about their alliances with other groups working with outsiders and issues of class race ethnicity gender worker community and settler indigenous relationships Written by a wide range of international scholars and activists contributors explore these dynamics and the opportunities for agency and solidarity They critique the practice of community development professionals academics trade union organisers social movements and activists and inform those engaged in the pursuit of justice as community development and environment interact **Energy Conservation and Community Development** United States. Richard Hart, 1995 Three decades ago years after most tribes had filed land claims the Zuni initiated legal battles related to aboriginal claims rights and use that few experts thought they could win Yet by 1991 they had achieved three major victories In the first case the Zuni sued the United States seeking payment for aboriginal territorial lands taken without adequate compensation In the second also against the United States the tribe

sought compensation for environmental damages to Zuni trust lands caused by the U S Government and by private industry where the federal government should have provided protection And in the third the U S government sued a private rancher on the Zuni s behalf to establish an easement protecting an ancient religious trail Providing a new overview of these cases and Zuni history Richard Hart has gathered together essays written by many of those who testified for the Zuni historians archaeologists anthropologists and scientist as well as commentary from the tribe s lawyers The authors simplify the complex nature of the testimony making it accessible to a wide audience They cover such diverse but significant issues as Spanish law and land grants tribal aboriginal title the Navajo Wars U S territorial policy deforestation erosion geomorphology dendrochronology environmental history anthropology archaeology education folklore oral history and religion Tying together current events with cultural and legal history Zuni and the Courts provides not only expert observations on how and why the Zuni succeeded but offers insight into how similar cases can be fought and won
