Edited by Wilhelm Viator** William Shakespeare, Wilhelm Viator, 2015-08-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the

Edited by Wilhelm Viator - Scholar's Choice Edition** William Shakespeare,Wilhelm Viator,2015-02-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Hamlet** William Shakespeare,1981 Hamlet William Shakespeare,1996 Prince Hamlet faces the challenge of avenging his father's murder in this tragic story of revenge *Hamlet* William Shakespeare,1939 **Hamlet** William Shakespeare,1939 **Hamlet** William Shakespeare,1969 **A Synoptic Hamlet: a Critical-Synoptic Edition of the Second Quarto and First Folio Texts of Hamlet** Jesús Tronch-Pérez,Jesús Tronch,2002 A Synoptic Hamlet is an alternative response to the editorial problems of this multiple text play Like most critical editions it presents the early texts in a manner helpful to the general reader by modernizing spelling and punctuation and emending non-sensical readings However it does not hide the text's diversity by exclusively selecting readings from either the Second Quarto or the First Folio in order to reconstruct a single reading

version corresponding to the authentic Hamlet Rather it makes their significant variants immediately available in the line itself offering alternative editorial interpretations of identical or similar readings at certain points Thus the reader can have a direct appreciation of the divergence and similarity between these early texts from which the Hamlet of today is known

The Tragedie of Hamlet, Prince of Denmarke William Shakespeare,2000-02 Applause Books If there ever has been a groundbreaking edition that likewise returns the reader to the original Shakespeare text it will be the Applause Folio Texts If there has ever been an accessible version of the Folio it is this edition set for the first time in modern fonts The Folio is the source of all other editions The Folio text forces us to re examine the assumptions and prejudices which have encumbered over four hundred years of scholarship and performance Notes refer the reader to subsequent editorial interventions and offer the reader a multiplicity of interpretations Notes also advise the reader on variations between Folios and Quartos The heavy mascara of four centuries of Shakespearean glossing has by now glossed over the original countenance of Shakespeare s work Never has there been a Folio available in modern reading fonts While other complete Folio editions continue to trade simply on the facsimile appearance of the Elizabethan look none of them is easily and practically utilized in general Shakespeare studies or performances *Jottings on the Text of Hamlet* Hiram Corson,1874 **Shakespeare and the First Hamlet** Terri Bourus,2022-06-10 The first edition of Hamlet often called Q1 shorthand for first quarto was published in 1603 in what we might regard as the early modern equivalent of a cheap paperback Yet this early version of Shakespeare s classic tragedy is becoming increasingly canonical not because there is universal agreement about what it is or what it means but because more and more Shakespearians agree that it is worth arguing about The essays in this collected volume explore the ways in which we might approach Q1 s Hamlet from performance to book history from Shakespeare s relationships with his contemporaries to the shape of his whole career *Hamlet; Parallel Texts of the First and Second Quartos and the First Folio. Edited by Wilhelm Vietor* William Shakespeare,2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Tragedy of Hamlet** William Shakespeare,1928 *Jottings on the Text of Hamlet.
