Handbook Of Helpful Hints:

Handbook of Helpful Hints Publications International, Ltd,1980 Culinary Landmarks Elizabeth Driver,2008-04-05
Culinary Landmarks is a definitive history and bibliography of Canadian cookbooks from the beginning when La cuisini re
bourgeoise was published in Quebec City in 1825 to the mid twentieth century Over the course of more than ten years
Elizabeth Driver researched every cookbook published within the borders of present day Canada whether a locally authored
text or a Canadian edition of a foreign work Every type of recipe collection is included from trade publishers bestsellers and
advertising cookbooks to home economics textbooks and fund raisers from church women s groups The entries for over 2 200
individual titles are arranged chronologically by their province or territory of publication revealing cooking and dining
customs in each part of the country over 125 years Full bibliographical descriptions of first and subsequent editions are
augmented by author biographies and corporate histories of the food producers and kitchen equipment manufacturers who
often published the books Driver s excellent general introduction sets out the evolution of the cookbook genre in Canada
while brief introductions for each province identify regional differences in developments and trends Four indexes and a
Chronology of Canadian Cookbook History provide other points of access to the wealth of material in this impressive
