Acknowledgements

The present volume emerged from a series of five seminars held at Edinburgh Law School during the academic year 2016/17. The hosts funding for the seminar series came from a small grant from the British Academy, and we are extremely grateful for that support. We are also very grateful to Gavin Anderson, David Hodgson, Christian Joerges, John King, John Lundman, John Mahoney, Charles Mitchell, Peter Twiss and Peter Walker for encouraging discussion on supporting committees for the seminar series at the various seminars. The seminar series well-attended, provided much debate and challenged our team members to write or refine their draft papers for publication. Several thanks are due to our committee members for making the work so enjoyable, and also to Joerges, Mitchell, King, Mahoney and Twiss for providing excellent drinks. Credit to the host volume outside the context of the original seminar series. On the editorial side, we very much appreciate the work of Stephen Tierney and Christian Walker thanks to helping progress the manuscript for publication. Finally we would like to thank Christian Joerges and all the administrative staff of the Law School's Research Office, especially in head Alison Hocking, for their sterling efforts in organising the seminar series.
