Events In The Twentieth Century:

Great Events from History, 2007 **Events That Changed the World in the Twentieth Century** Frank W. Thackeray, John E. Findling, 1995-03-24 The aftershocks of the volatile 20th century will be felt for generations to come In order to understand the current and future direction of the world it is imperative to reflect on this century s seminal events and their lasting impact Designed for students this unique resource offers detailed descriptions and expert analysis of the 20th century s most important events World War I the Russian Revolution the Rise of Fascism the Great Depression World War II the Cold War the Chinese Revolution the end of Colonialism and the Rise of the Third World European unification and the collapse of the Soviet union Each of the events is dealt with in a separate chapter An introductory essay presenting the facts about each event precedes an interpretive essay by a recognized authority on the event Exploring beyond the traditional textbook treatment of history these interpretive essays consider the immediate and far reaching ramifications of each event Through this innovative approach students will be inspired to further analyze these events not only from a historical perspective but also in the context of the world in which they live today In order to make complex history easily understandable the ntroductory essay for each event provides factual background in a clear concise chronological manner Written for a general readership the interpretive essays assess each event in terms of its political economic sociocultural and international diplomatic impact Some essays validate the norm while others challenge conventional wisdom all reflect the most recent scholarship concerning each event Each interpretive essay is followed by an annotated bibliography that identifies the most important and most recent scholarship about the respective events A photo of each event offers a visual component to the narrative The volume contains four useful appendices a glossary of names events organizations treaties and terms a timeline of important events in 20th century world history the population of selected countries and a list of states achieving independence since 1945 This work is perfect for the high school community college and undergraduate library reference shelf as well as supplementary reading in social studies and world history courses **Reader's Digest Great Events of the 20th Century** Reader's Digest, 1981-07-01 Illustrated accounts of momentous events that have affected the lives of thousands of people take note of scientific and technological advances major historical incidents developments in the arts great personalities and widespread fads and fashions **Great Events from History** Robert F. Gorman, 2007 Contains essays that examine significant events in the history of the early twentieth century from 1907 to 1915 covering world politics society and culture literary movements art and music immigration and legislation arranged chronologically with maps illustrations and quotations for primary source documents **Great Events of the 20th Century**, 1977 **25 Events That Shaped Asian American History** Lan Dong, 2019-03-22 This book provides detailed and engaging narratives about 25 pivotal events in Asian American history celebrates Asian Americans contributions to U S history and examines the ways their experiences have shaped American culture Asian Americans have made significant contributions to American history society

and culture This book presents key events in the Asian American experience through 25 well developed accessible essays detailed timelines biographies of notable figures excerpts of primary source documents and sidebars and images that provide narrative and visual information on high interest topics Arranged chronologically the 25 essays showcase the ways in which Asian Americans have contributed to U S history and culture and bear witness to their struggles activism and accomplishments The book offers a unique look at the Asian American experience from the California Gold Rush in the mid nineteenth century to the 2017 travel ban Highlighting events with national and international significance such as the Central Pacific Railroad Construction Korean War and 9 11 it documents the Asian American experience and demonstrates Asian Americans impact on American life

Mega-events and social change Maurice Roche,2017-06-05 The spectacle of major cultural and sporting events can preoccupy modern societies This book is concerned with contemporary mega events like the Olympics and Expos Using a sociological perspective Roche argues that mega events reflect the major social changes which now influence our societies particularly in the West and that these amount to a new second phase of the modernization process Changes are particularly visible in the media urban and global locational aspects of mega events Thus he suggests that contemporary mega events both in their achievements and their vulnerabilities reflect in the media sphere the rise of the internet in the urban sphere de industrialisation and the growing ecological crisis and in the global sphere the relative decline of the West and the rise of China and other emerging countries

Facing Hydrometeorological Extreme Events Isabelle La Jeunesse,Corinne Larrue,2019-09-11 Provides an understanding of the relationship between social ecological systems and multilevel governance so that readers can properly deal with hydrometeorological extreme events and hazards Based on field investigations from EU research projects this book is the first to devote itself to scientific and policy related knowledge concerning climate change induced extreme events It depicts national and international strategies as well as tools used to improve multilevel governance for the management of hydrometeorological risks It also demonstrates how these strategies play out over different scales of the decision making processes Facing Hydrometeorological Extreme Events A Governance Issue offers comprehensive coverage of such events as floods droughts coastal storms and wind storms It showcases real life success stories of multilevel governance and highlights the individuals involved and the resources mobilized in the decision making processes The book starts by presenting a synthesis of hydrometeorological extreme events and their impacts on society It then demonstrates how societies are organizing themselves to face these extreme events focusing on the strategies of integration of risk management in governance and public policy In addition it includes the results of several EU funded projects such as CLIMB STARFLOOD and INTERREG IVB project DROP The first book dedicated to hydrometeorological extreme events governance based on field investigations from EU research projects Offers a multi hazards approach mixing policy governance and field investigations main outputs Features the results of EU funded projects addressing hydrometeorological extreme events Part of the Hydrometeorological Extreme Events series Facing
