First Orchid For Pat:

First Orchid for Pat Anne Emery, 1957 Pat wants to get married but her boyfriend goes away to college and they have to wait She is afraid that he will find somebody else but she is the one who finds a new interest But it s acting not another boy Pat discovers that life is full of choices *The Chicago of Fiction* James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city s place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included **The North Dakota Quarterly**, 1958

Best Books for Children, 1964 King Richard Michael Dobbs, 2021-05-25 ONE OF USA TODAY S BEST BOOKS OF THE YEAR A riveting account of the crucial days hours and moments when the Watergate conspiracy consumed and ultimately toppled a president from the best selling author of *One Minute to Midnight* In January 1973 Richard Nixon had just been inaugurated after winning re election in a historic landslide He enjoyed an almost 70 percent approval rating But by April 1973 his presidency had fallen apart as the Watergate scandal metastasized into what White House counsel John Dean called a full blown cancer *King Richard* is the intimate utterly absorbing narrative of the tension packed hundred days when the Watergate conspiracy unraveled as the burglars and their handlers turned on one another exposing the crimes of a vengeful president Drawing on thousands of hours of newly released taped recordings Michael Dobbs takes us into the heart of the conspiracy recreating these traumatic events in cinematic detail He captures the growing paranoia of the principal players and their desperate attempts to deflect blame as the noose tightens around them We eavesdrop on Nixon plotting with his aides raging at his enemies while also finding time for affectionate moments with his family The result is an unprecedentedly vivid close up portrait of a president facing his greatest crisis Central to the spellbinding drama is the tortured personality of Nixon himself a man whose strengths particularly his determination to win at all costs become his fatal flaws Rising from poverty to become the most powerful man in the world he commits terrible errors of judgment that lead to his public disgrace He makes himself and then destroys himself Structured like a classical tragedy with a uniquely American twist *King*
