**Fragments from an Inner Life** Evelyn Underhill, 2011-02-01 June 10 1923 It came over me vividly at Communion today that the whole of the life of Christ consists and always has in nothing at all but giving himself to everyone who asks pleasant or not dingy beasts like me anyone making no demands back cultivating no heavenly joy for Himself an eternal Risen Life of self outpouring It may sound obvious but when you see it it's pretty overwhelming Evelyn Underhill kept notebooks during her crucial mid-life years while she was a successful writer and scholar These private documents comprise one soul's journey in the life of the Spirit yet with a universal dimension Underhill's reflections are the only known sustained records of her private life her doubts and failings obstacles to growth and her gradual awakening to God's grace and presence In his Foreword A M Allchin writes Evelyn Underhill's inner world which was one of contrasts and conflicts of darkness as well as light can stand for the inner world of us all these fragments from her inner story will continue to remind us of the price that was paid for the serenity and wisdom of her latter years These notes and journal entries have the immediacy of spiritual autobiography and the detail that give texture to her otherwise elusive life history In order to be best understood they need to be viewed within the context of her public writings Her personal speculations and correspondence give depth and nuance to the mystic and theologian now commemorated in the church calendar and read by Christians of many communions

**The Making of a Mystic** Evelyn Underhill, 2024-03-18 Evelyn Underhill 1875 1941 achieved international fame with the publication of her book *Mysticism* in 1911 Continuously in print since its original publication *Mysticism* remains Underhill's most famous work but in the course of her long career she published nearly forty books including three novels and three volumes of poetry as well as numerous poems in periodicals She was the religion editor for *Spectator* a friend of T S Eliot her influence is visible in his last masterpiece *Four Quartets* and the first woman invited to lecture on theology at Oxford University Her interest in religion

extended beyond her Anglican upbringing to embrace the world's religions and their common spirituality. In time for the centennial celebration of her classic *Mysticism*, this volume of Underhill's letters will enable readers and researchers to follow her as she reconciled her beliefs with her daily life. The letters reveal her personal and theological development and clarify the relationships that influenced her life and work. Hardly aloof, she enjoyed the interests, mirth, and compassion of close friendships. Drawing from collections previously unknown to scholars, *The Making of a Mystic* shows the range of Evelyn Underhill's mind and interests as well as the immense network of her correspondents including Sir James Frazier and Nobel Prize laureate Rabindranath Tagore. This substantial selection of Underhill's correspondence demonstrates an exceptional scope beginning with her earliest letters from boarding school to her mother and extending to a letter written to T. S. Eliot from what was to be her deathbed in London in 1941 as the London Blitz raged around her.

**Life as prayer and other writings of Evelyn Underhill ; originally published as Collected papers of Evelyn Underhill** Lucy Menzies, 1991

Evelyn Underhill Ann Loades, 1997 Evelyn Underhill 1875-1941 was born into an English legal family and herself married a lawyer. She devoted her life to writing in particular about the lives and thoughts of the mystical saints and eventually became a leader of contemplative prayer. This is an account of her life and work. *The Wisdom of Evelyn Underhill* Evelyn Underhill, 1951

**The School of Charity** Evelyn Underhill, 1991-06-01 A profound and spiritual reflection on the Nicene Creed, the basis of Catholic belief. These meditations based upon the principal articles of the Nicene Creed were originally presented by Evelyn Underhill 1875-1941 at a retreat she conducted at her beloved Pleshy, a small village in England that was the site of her conversion to the Christian faith. The renewed interest in mysticism and spirituality today among Christians of all communions draws heavily from her work. The popularity and use of her books by scholar, lay people, and clergy attest to the originality of her writings and the helpfulness of her spiritual direction.

Evelyn Underhill's Prayer Book Evelyn Underhill, 2018-01-18 Carefully edited, this beautiful little volume is a rare gem highly recommended for anyone seeking new inspiration in prayer. The Reader Between 1924 and 1938 Evelyn Underhill compiled two personal prayer books for use when conducting spiritual retreats at Pleshey, the retreat house for the diocese of Chelmsford. The prayers were carefully selected and include quotes from a variety of theologians and writers in Christian spirituality as well as her own very rich metaphorical and theologically deep prayers. These collections are now available for the first time.

**Evelyn Underhill** Dana Greene, 1988-08-04 Evelyn Underhill was a pioneer in revitalizing interest in mysticism and in the spiritual life as lived by ordinary people. Here are some of her articles that demonstrate the variety and development of her thought over forty years. The themes of magic and mysticism, prayer, and pacifism are all considered with particular emphasis on Underhill's focus on personal religious experience, its nurturance in prayer, its protection by institutional religion, and its implications for all aspects of life. Together, the pieces illuminate the author's move from Platonism to the incarnational spirituality lived out during the years between the world wars. Greene's interpretive introduction to the life and work of this

contemporary mystic is most helpful for those previously unfamiliar with Underhill The book contains the most complete bibliography available on works by and about this important woman
