

Secure your property with card readers at perimeter doors, elevators, parking areas, pool, health facilities, etc.

The on-line card readers allow reception personnel to check openings as well as authorize or deny card access in real time. Non-volatile memory supports an audit trail of the last 8,000 openings, and an antipass back function is also incorporated.

The off-line card readers allow only authorized card holders to gain access, and the audit trail retains the last 500 openings.

Card readers are programmable, just like any Onity lock. Perfect for interior or exterior use.
