Derivation, Source, Or Origin of Common Phrases, Allusions, and Words that Have a Tale to Tell Ebenezer Cobham Brewer, 1900 **Who the Hell's in It** Peter Bogdanovich, 2005-10-25 Peter Bogdanovich known primarily as a director film historian and critic has been working with professional actors all his life He started out as an actor he debuted on the stage in his sixth grade production of Finian s Rainbow he watched actors work he went to the theater every week from the age of thirteen and saw every important show on or off Broadway for the next decade he studied acting starting at sixteen with Stella Adler his work with her became the foundation for all he would ever do as an actor and a director Now in his new book **Who the Hell s in It** Bogdanovich draws upon a lifetime of experience observation and understanding of the art to write about the actors he came to know along the way actors he admired from afar actors he worked with directed befriended Among them Lauren Bacall Humphrey Bogart James Cagney John Cassavetes Charlie Chaplin Montgomery Clift Marlene Dietrich Henry Fonda Ben Gazzara Audrey Hepburn Boris Karloff Dean Martin Marilyn Monroe River Phoenix Sidney Poitier Frank Sinatra and James Stewart Bogdanovich captures in their words and his their work their individual styles what made them who they were what gave them their appeal and why they ve continued to be America s iconic actors On Lillian Gish the first virgin hearth goddess of the screen a valiant and courageous symbol of fortitude and love through all distress On Marlon Brando He challenged himself never to be the same from picture to picture refusing to become the kind of film star the studio system had invented and thrived upon the recognizable human commodity each new film was built around The funny thing is that Brando s charismatic screen persona was vividly apparent despite the multiplicity of his guises Brando always remains recognizable a star actor in spite of himself Jerry Lewis to Bogdanovich on the first laugh Lewis ever got onstage I was five years old My mom and dad had a tux made I worked in the borscht circuit with them and I came out and I sang Brother Can You Spare a Dime the big hit at the time It was 1931 and I stopped the show naturally a five year old in a tuxedo is not going to stop the show And I took a bow and my foot slipped and hit one of the floodlights and it exploded and the smoke and the sound scared me so I started to cry The audience laughed they were hysterical So I knew I had to get the rest of my laughs the rest of my life breaking sitting falling spinning John Wayne to Bogdanovich on the early years of Wayne s career when he was working as a prop man Well I ve naturally studied John Ford professionally as well as loving the man Ever since the first time I walked down his set as a goose herder in 1927 They needed somebody from the prop department to keep the geese from getting under a fake hill they had for Mother Machree at Fox I d been hired because Tom Mix wanted a box seat for the USC football games and so they promised jobs to Don Williams and myself and a couple of the players They buried us over in the properties department and Mr Ford s need for a goose herder just seemed to fit my pistol These twenty six portraits and

conversations are unsurpassed in their evocation of a certain kind of great movie star that has vanished Bogdanovich's book is a celebration and a farewell

The Devil from over the Sea Sarah Covington, 2022-03-24 In Ireland few figures have generated more hatred than Oliver Cromwell whose seventeenth century conquest massacres and dispossessions would endure in the social memory for ages to come *The Devil from over the Sea* explores the many ways in which Cromwell was remembered and sometimes conveniently forgotten in historical religious political and literary texts according to the interests of different communities across time Cromwell's powerful afterlife in Ireland however cannot be understood without also investigating his presence in folklore and the landscape in ruins and curses Nor can he be separated from the idea of the Cromwellian a term which came to elicit an entire chain of contemptuous associations that would begin after his invasion and assume a wholly new force in the nineteenth century What emerges from all these memorializing traces is a multitudinous Cromwell who could be represented as brutal comic sympathetic or satanic He could be discarded also tellingly from the accounts of the past and especially by those which viewed him as an embarrassment or worse In addition to exploring the many reasons why Cromwell was so vehemently remembered or forgotten in Ireland Sarah Covington finally uncovers the larger truths conveyed by sometimes fanciful or invented accounts Contrary to being damaging examples of myth making the memorializations contained in martyrologies folk tales or newspaper polemics were often productive in cohering communities or in displaying agency in the form of counter memories that claimed Cromwell for their own and reshaped Irish history in the process
